RICE CHANGES ... CLOSE UP

As members of the Brother Rice community, we have experienced many changes. The most dramatic change has been the transition in Administration.

This has brought about a new attitude in our community. Our new principal, Brother Gremley, has challenged the Brother Rice community to strive for excellence in academics and self development, as well as a sense of an ongoing pride and dignity in our school.

CHANGES

HIGHLIGHTS OF 1987

This year has been a testament to the many changes that we as a community have experienced. We were able to witness America's first Black gubernatorial candidate. From a more localized perspective, 1987 was the year that Brother Rice was unprecedented in its dominance of the fall Catholic League. Spring was equally as important with the senior prom and graduation just around the corner. As individuals we have witnessed many changes, but the greatest change has been the inner maturity that each of us has attained.

CHANGES

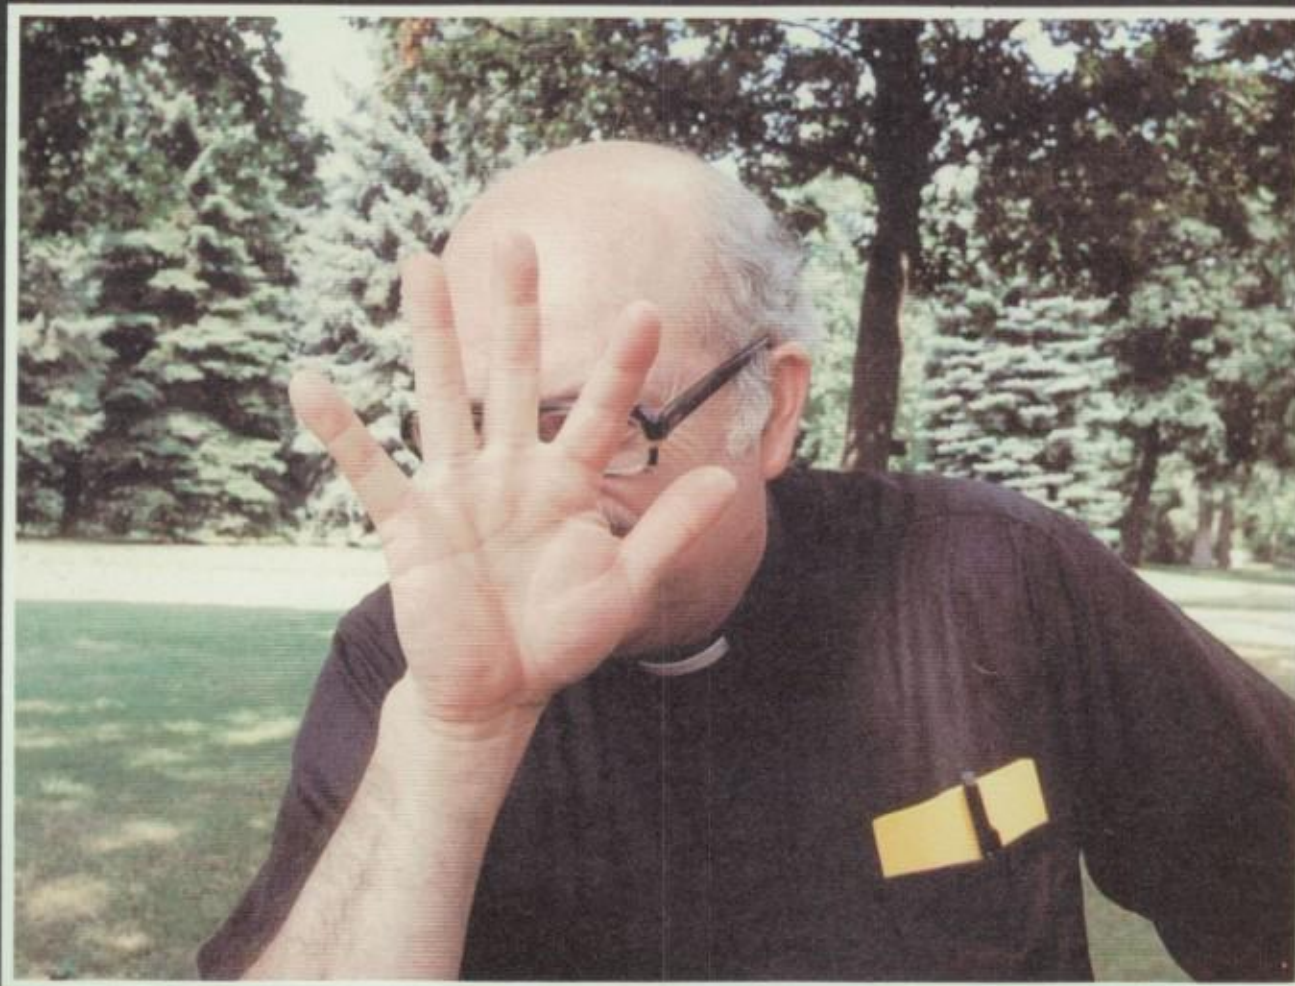

ADMINISTRATION

FACULTY

The most significant change experienced by the Brother Rice faculty has been the addition of Brother George Gremley as the new principal. The new direction that Br. Gremley represents is best exemplified by the vast experience and leadership that he brings to us. Another change the faculty has undergone is the return of Mr. Steve Hebold as the Dean of Discipline. Finally, the most colorful change comes as a result of the addition of three new faculty members: Mrs. Rosemary Gaas, Mrs. Carol McHale, and Mrs. Patricia Taggart. These new members of the faculty join in the commitment to academic integrity that has always been the standard of Brother Rice High School.

FACULTY

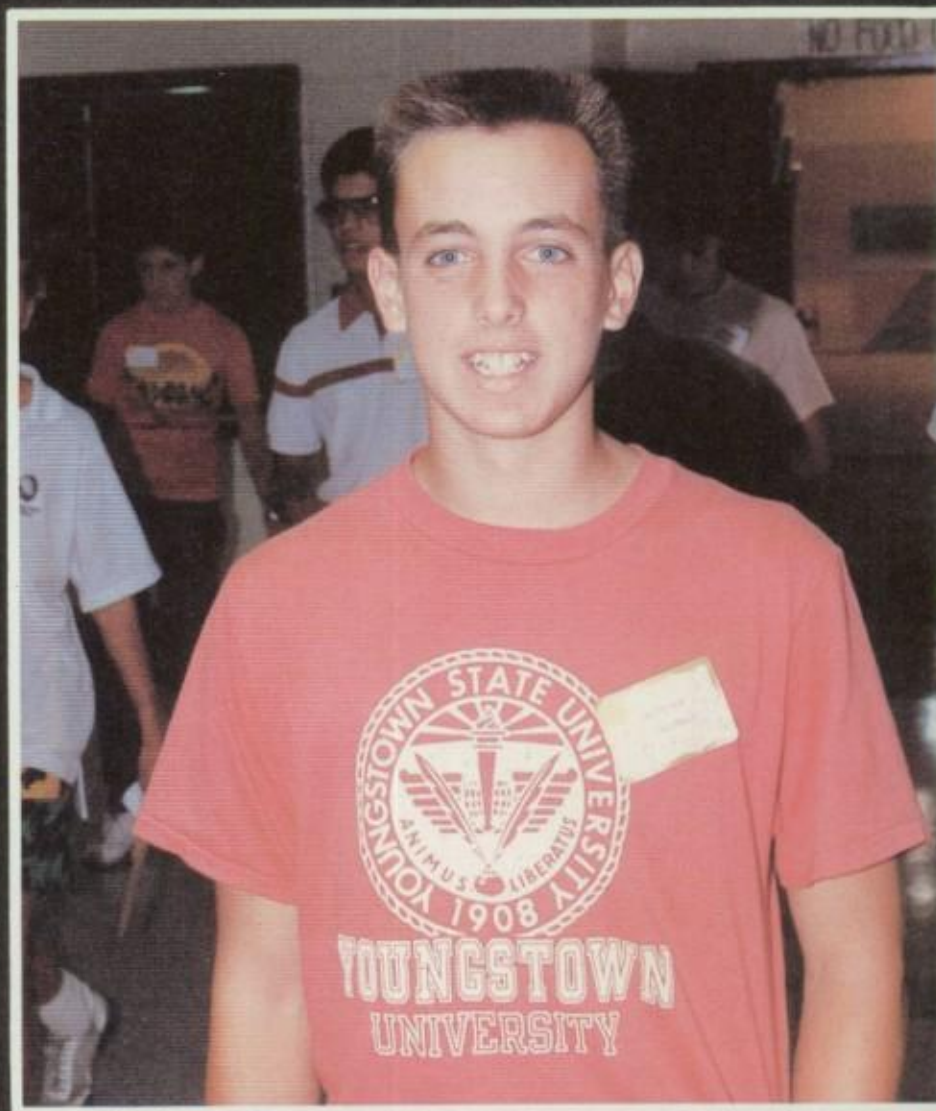

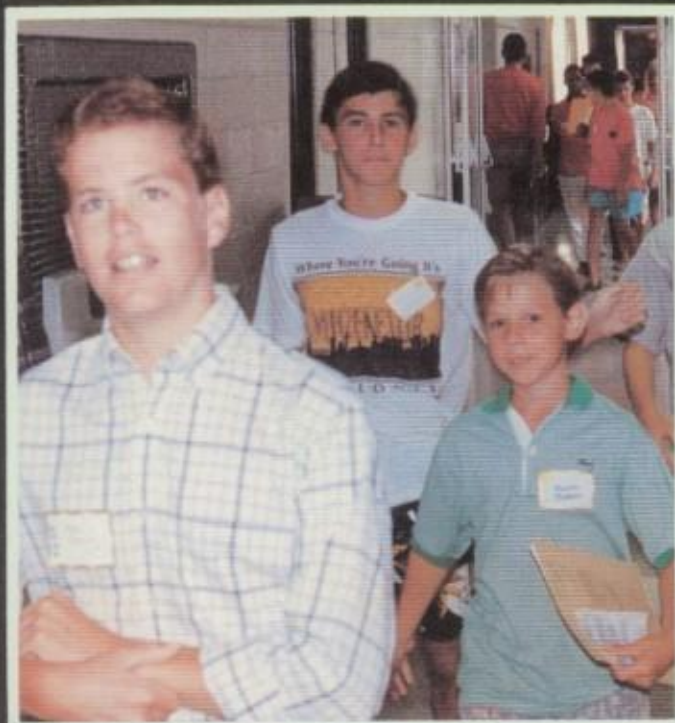

CHANGES

UNDERCLASSMEN

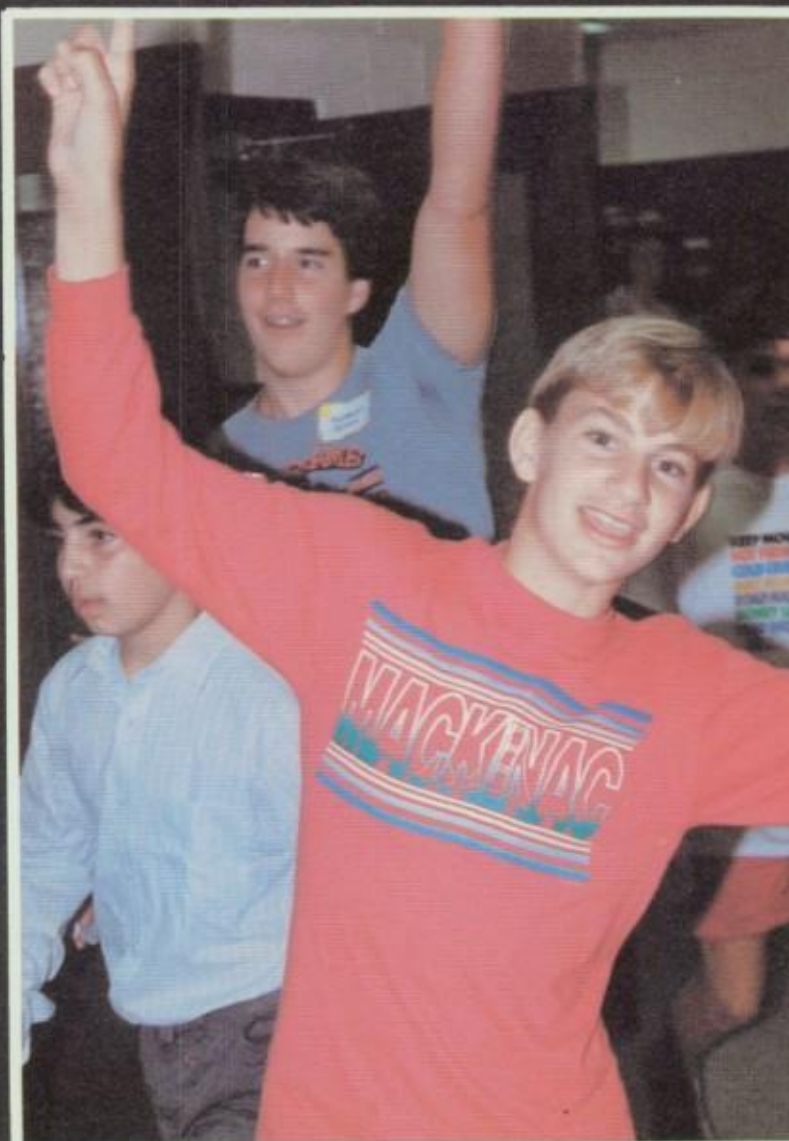

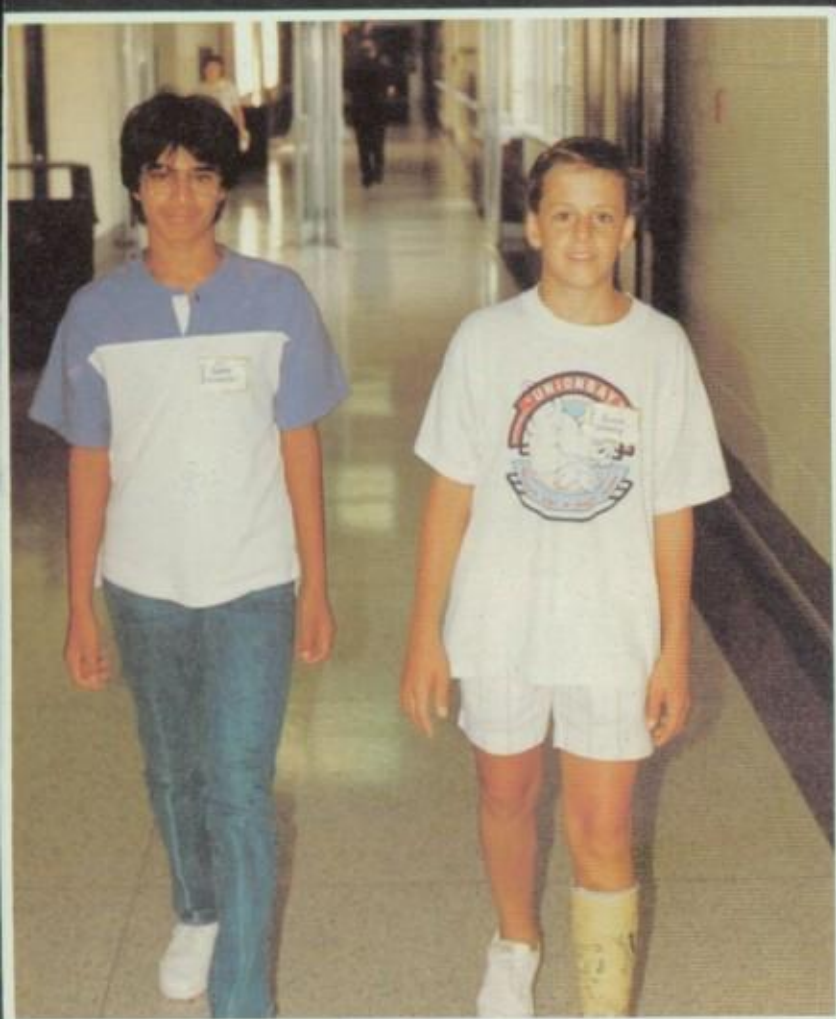

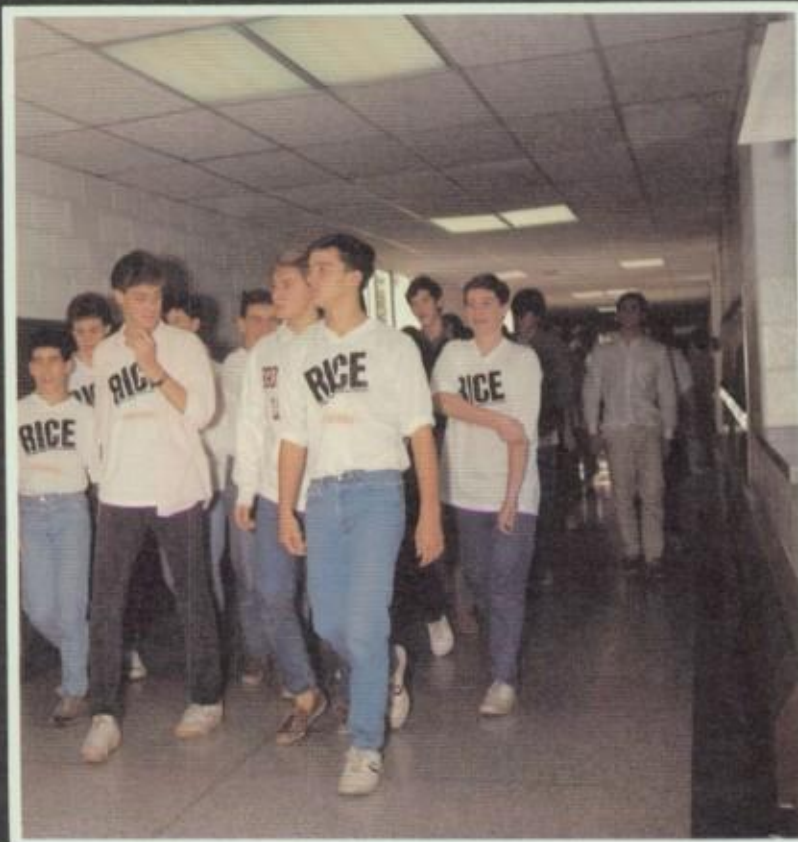

Changes . . . a person's life is essentially separate periods of change: physical, intellectual, and emotional. One of the most crucial of these periods is adolescence.

The years a student spends at Brother Rice are milestones in his character development. His talents and abilities can find some place for exhibition in the many Brother Rice activities. It is during these four years that the student realizes that he counts, that he can contribute to society as a human being. All these ideas - abstract and distant to the freshman going to his first class at Rice - are planted in his mind over the passage of his years here.

SPORTS

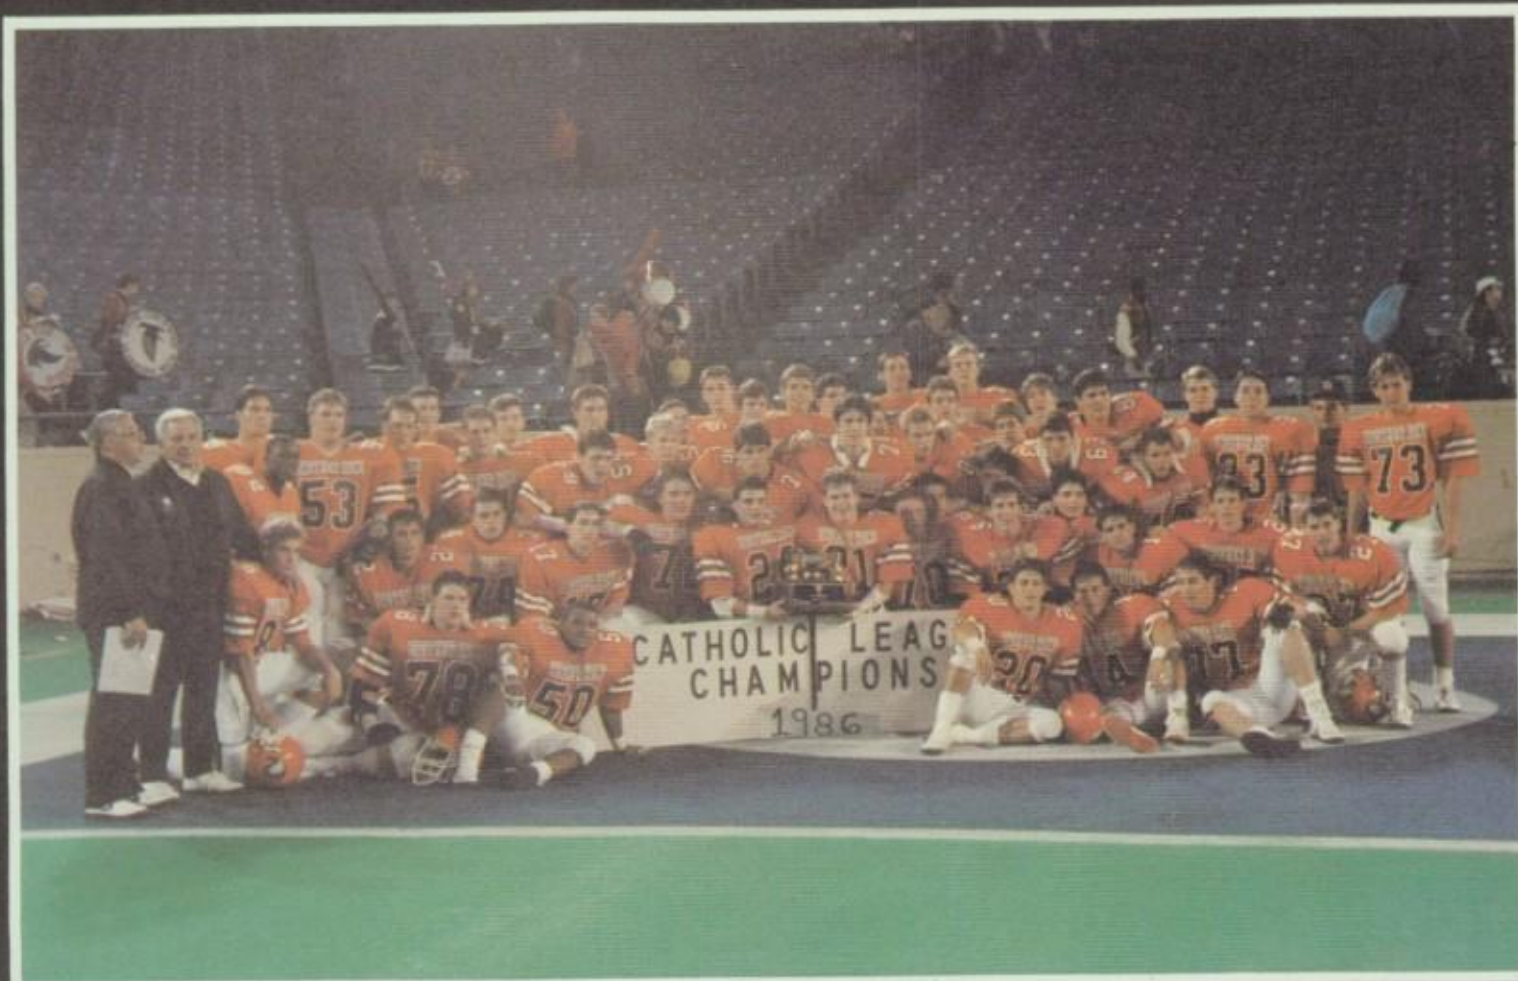

The 1986 Brother Rice fall sports program was unprecedented in its domination of Catholic League Championships. Our teams won championships in cross country, football, golf, and soccer.

The combination of excellent leadership and the determination of the players contributed to this incredible feat.

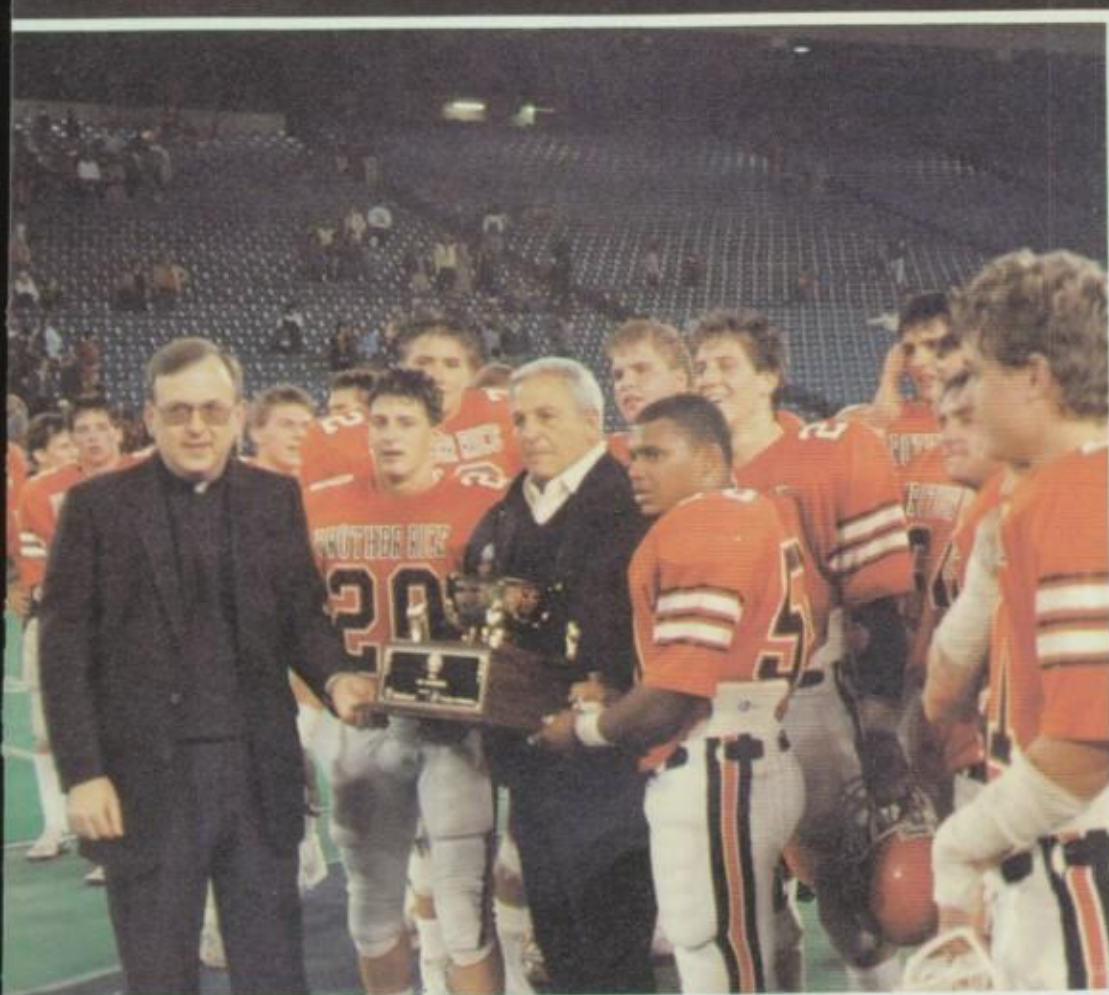

Inspired by their coaches, each team excelled in its individual field of competition. Thus, by enduring and conquering the challenges set on the playing field, Brother Rice continued its commitment to excellence.

GAMES

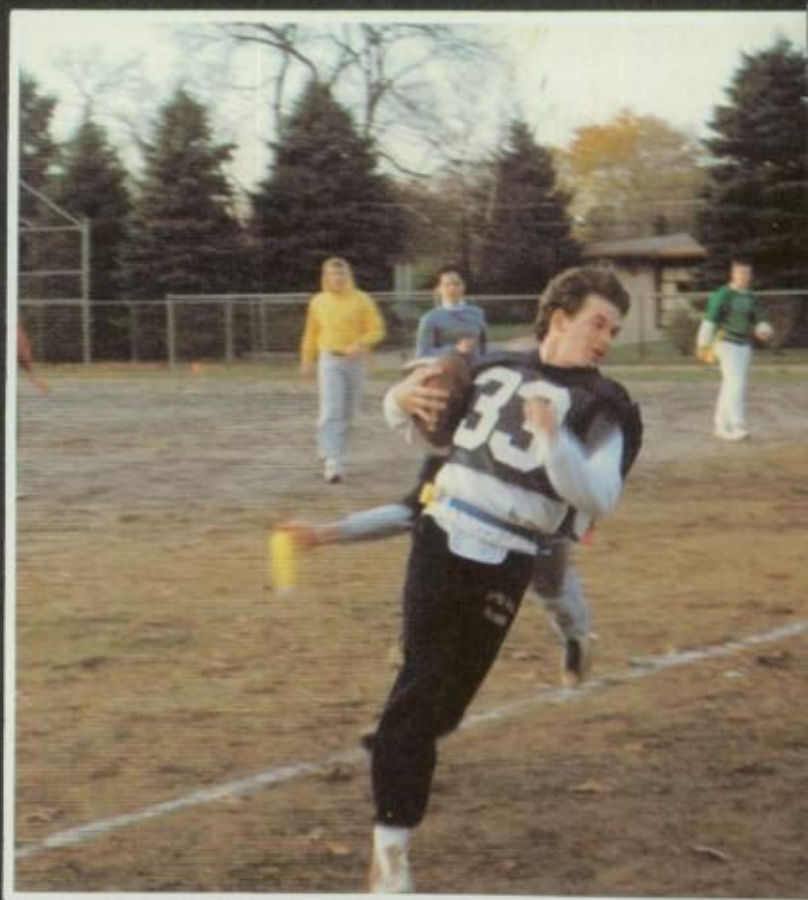

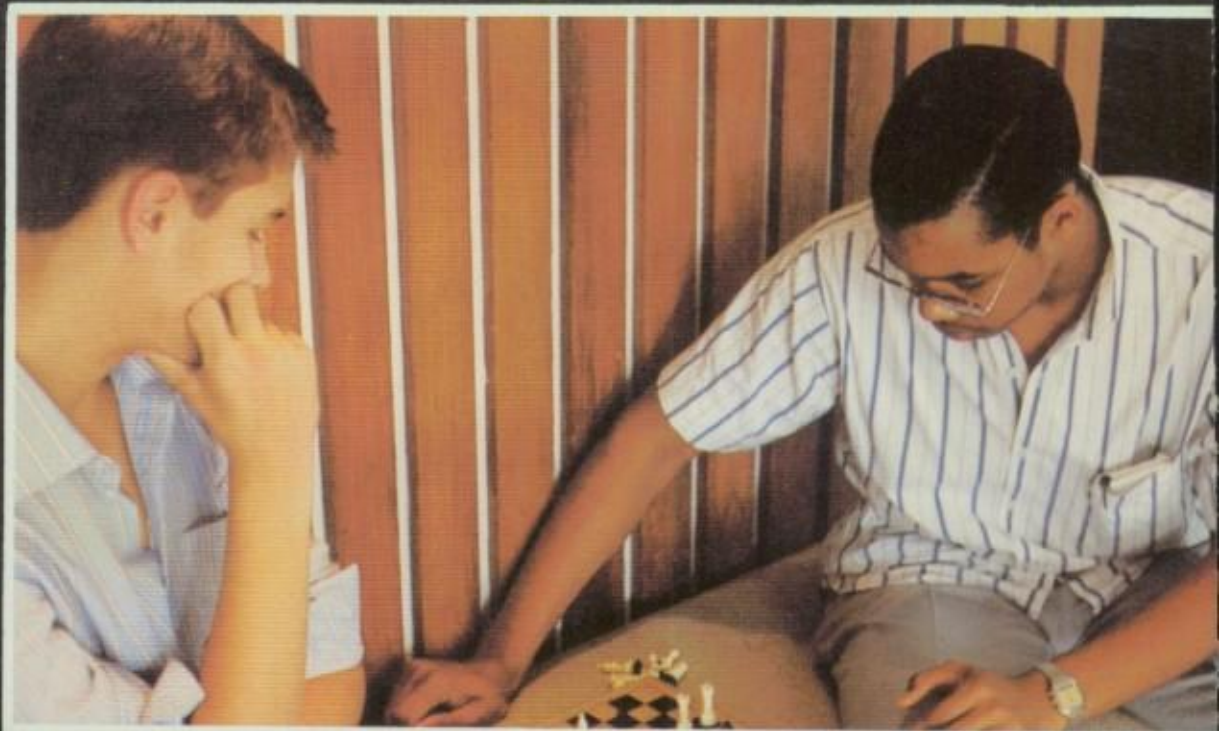

CHANGES

ACTIVITIES

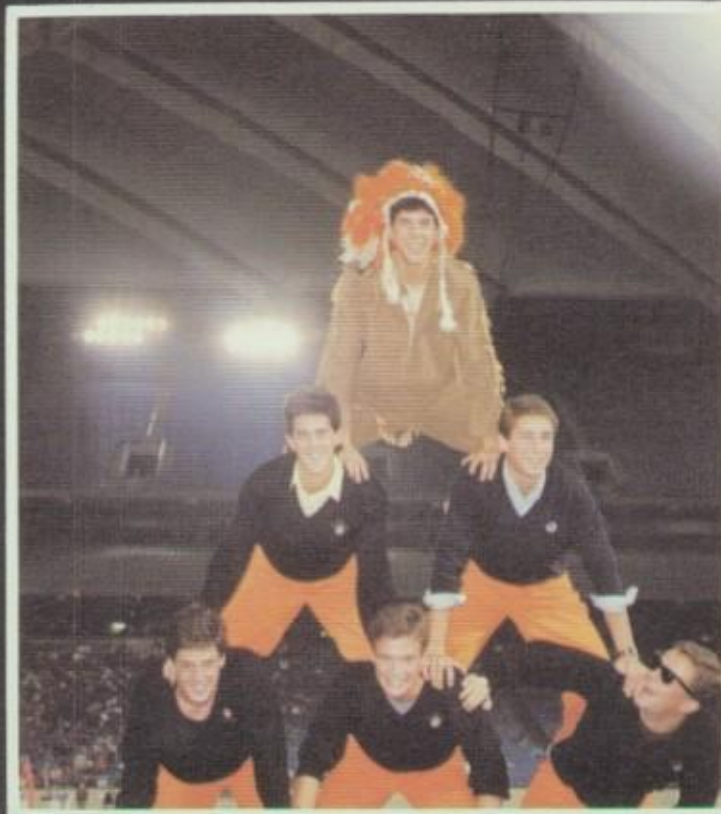

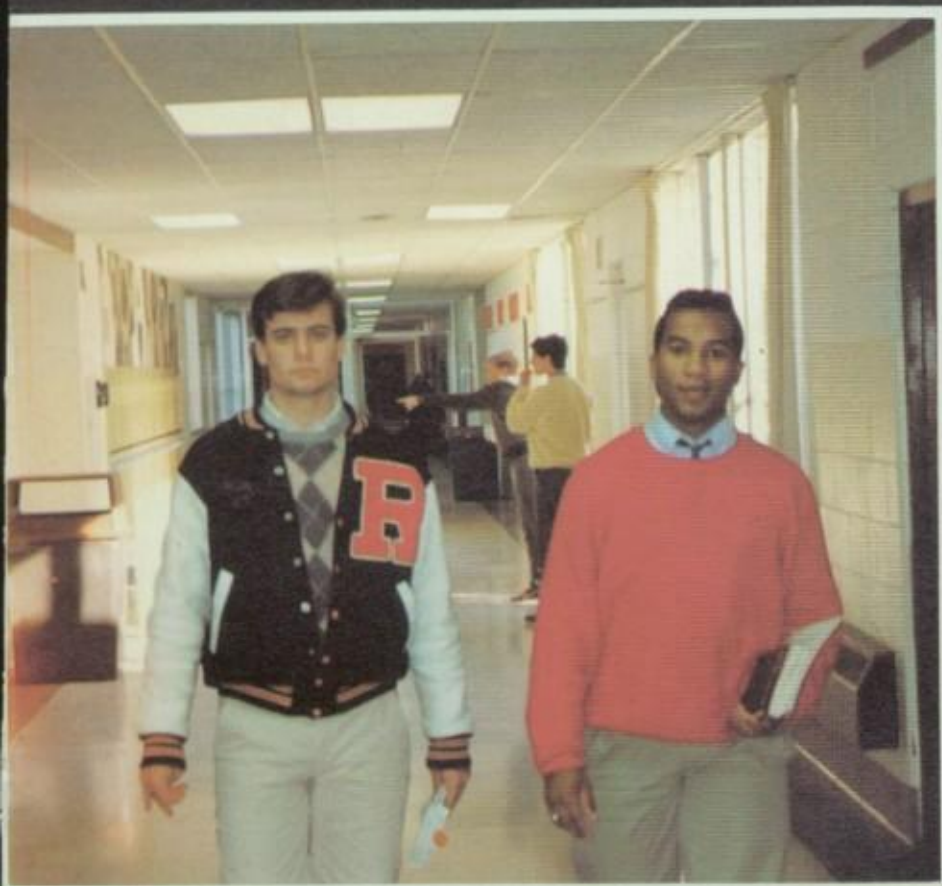

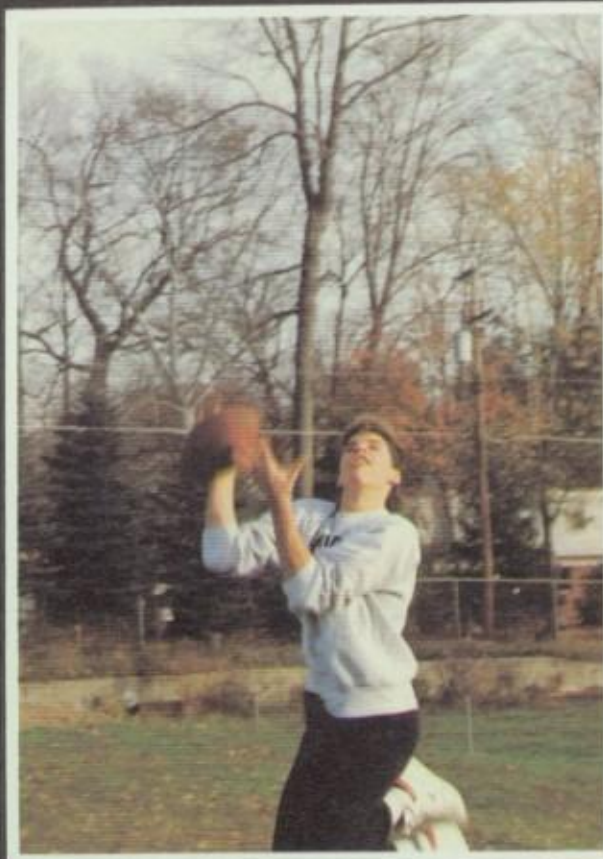

Brother Rice offers a wide range of extra curricular activities from Band to Yearbook. The many choices provide opportunities for a young man to develop his talent in a particular activity.

Participation gives a sense of belonging and contributing to the school. Each year it seems activities attract more students, both the curious and knowledgeable, and help them become experienced in the process.

It is this emphasis on contributing to the school in different, subtle ways that makes Rice - and each student himself - special.

EXTRA CURRICULAR

CHANGES

SENIORS

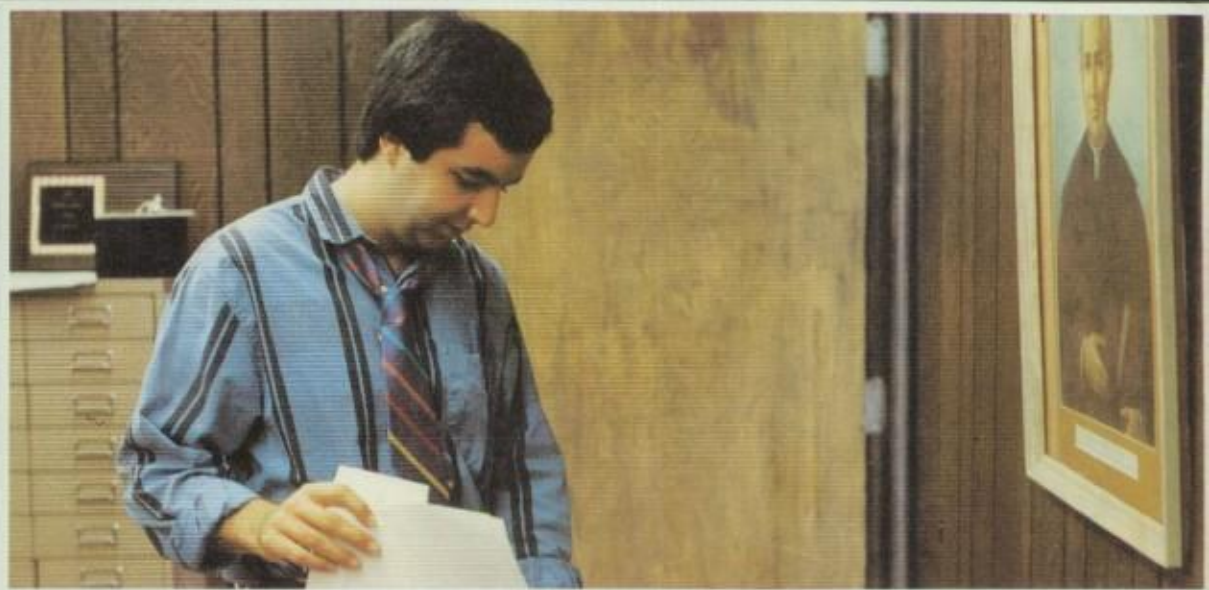

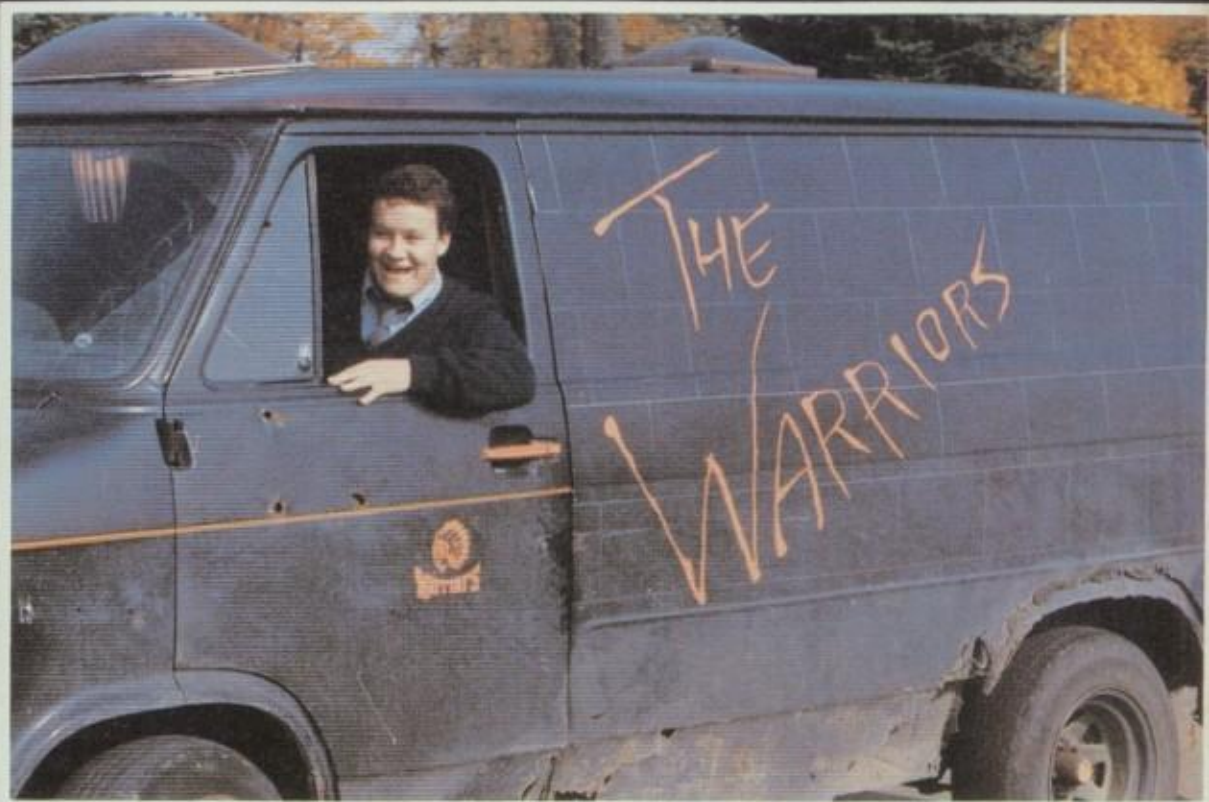

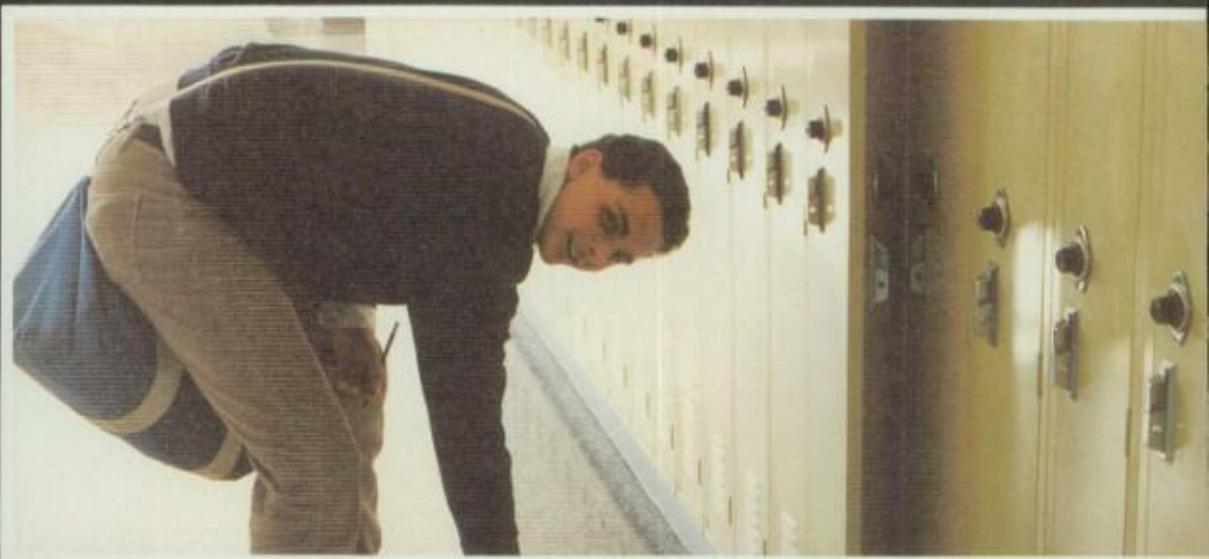

The path to senior year has been both a learning and maturing process. It is hard to believe that we came into Brother Rice as lost, nervous, and inexperienced freshmen.

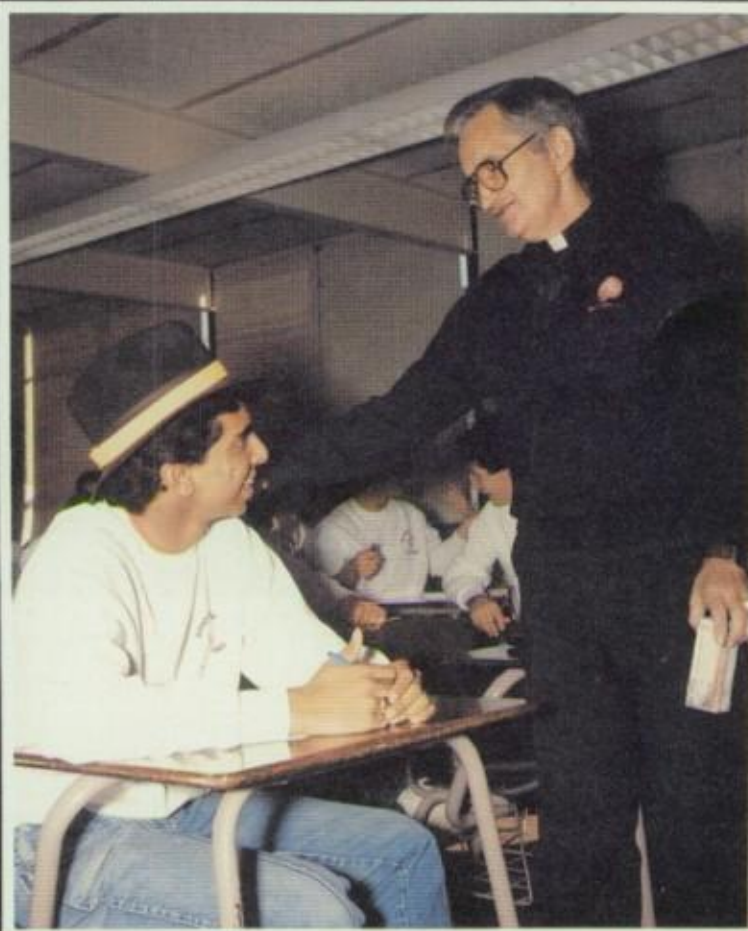

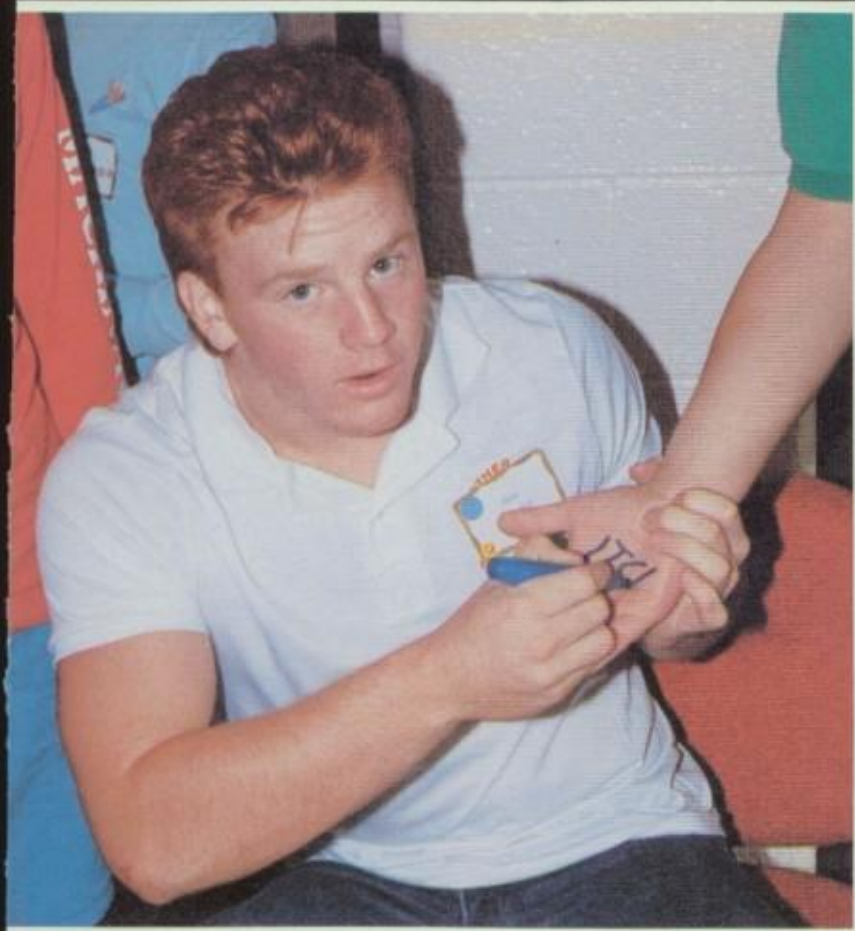

As sophomores, we gained more confidence, deeper friendships, and a measure of social independence, courtesy of a driver's license.

Junior status brought unexpected pressure from the infamous College Boards and the necessity to improve grades in preparation for college.

Senior year introduces the anxiety of college acceptance letters and the incurable disease . . . **SENIORITIS.**

The changes we've experienced through our high school years have prepared us for the future as we advance to college, careers, and the rest of our lives.

HOMECOMING 1986

Homecoming is one of the most exhilarating social events in high school life. Spirit Day kicks off the Homecoming Weekend with an intense and exiting pep rally. After the helmet-clashing conflict between our varsity football team and Catholic Central's, the atmosphere changes into a night full of dancing and romance.

The Homecoming dance, held at the San Marino Club, was very successful. Over 200 energetic students mingled with one another while the dee jay played the latest popular records. The 22nd Homecoming Court consisted of Julie Forte, escorted by Tom Giroux; Josie Poupard, escorted by Bill Fitzpatrick; Melissa Parker, escorted by Pat O'Shaughnessey; Patti Fisher, escorted by Matt Dietrich; and the 1986 Homecoming Queen, Laura Sullivan, escorted by Edward Schwartz.

FATHER AND SON UNITED THROUGH COMMUNION

The annual Father and Son Communion Breakfast, held in the Brother Rice Gymnasium, united fathers, sons, friends, and strangers in the celebration of a special Mass. Father John Crepeau, assisted by Br. Donald McGovern, officiated at the Liturgy. Br. McGovern then welcomed everyone to the breakfast, after which Oakland County Prosecutor L. Brooks Patterson took the stand. He gave a speech about the use of drugs in U.S. high schools. He also presented graphic information about the growing epidemic of drug use among teenagers. This breakfast united fathers and sons in a positive experience in growth and awareness. This is a fine example of the Community of Faith in action at Brother Rice High School.

OPEN HOUSE OVATION

To be or not to be . . . ? No need to question, Rice is the answer. Brother Rice is the final choice for many 8th Grade students. Open House '86 opened a door to the future to many 8th graders. Tours, led by teachers, alumni and students, brought out the finer points of the school to the guests through many informative exhibits. The Open House was much more serious and impressive this year and has already shown positive results.

ADMINISTRATION

The administration is the school's backbone. Without it, the school would instantly fall to pieces. The only change in this year's administration is new Principal, Br. George Gremley.

The Administration veterans are Vice-Principal Br. David MacIntyre, Dean of Faculty James Murphy, Administrative Assistant Lois Girardot, Office Staff Virginia Bergman and Laura Wickett, Business Manager Lucille Sundquist, and Assistant Bookkeeper, Sr. Irene Horvath.

FINE ARTS

Brother Rice had a wide range of courses in the Fine Arts. The Art Department, staffed by Chairperson Sr. Audrey Bushell and Mr. Marcel Gagnon, offers four years study in Art. The Music Department, run by Chairperson James Reinhard, offers an Experience in Music course that deals with music theory and history. Mr. Reinhard also directs Beginning and Advanced Band. In the Mechanical Arts Department, Chairman Br. Gregory Lindeman teaches drafting courses in graphic design.

BUSINESS AND COMPUTERS

Most of us are heading toward a future in business. Mr. Murphy, Mr. Grosso, Mr. Carrico, Mr. Jamieson, and Department Chairman, Mr. McKercher, begin our business education through classes in accounting, personal finance, economics, business law, and typing. Since the future also requires a knowledge of computer science, Mr. Gray, Mr. Rademacher, Mr. Sincic, Mr. Grosso, and Sr. Anne Dumas have been commissioned to provide students with a firm knowledge about the workings of a computer.

DEVELOPMENT AND PUBLIC RELATIONS

For years the Brother Rice Development Department has been raising money to maintain the school and finance its expansion. Fundraisers like Fish Nite and the Calendar Sale are run so every member of the Brother Rice community - even the students - can actively participate in helping the school raise the necessary financial resources.

Director William Norton, assisted by Yvette Orlando, leads this effort in making the *school* of Brother Rice as big as its name and reputation.

Brother Rice's image in the community is promoted by Public Relations Director Barbara Carlson. She oversees publications and programs which inform the public of the school and its various activities.

DEANS

Students often complain about the deans, saying they are too harsh and too unfair. But to effectively enforce discipline, they must be firm. The most notable happening this year is the revised Jug. Instead of an hour of study, Jug is now an hour of prescribed activity. Convicted reprobates are forced to memorize or write out various information, often while standing, before being allowed to leave.

Guidance And Counseling

The Guidance Department is an indispensable service for Br. Rice students. The counselors offer help for students with problems of almost any genre. Their assistance is critical for the college application process. For this, they offer a wide range of services, ranging from S.A.T. registration to advice on potential college choices.

SCIENCE

As time passes, the horizons in science keep broadening. New doors are constantly opening. At Brother Rice, students are given the opportunity to begin pursuing these frontiers. Four Science classes are offered: Biology, taught by Mr. Michael Hoch, Mrs. Bonnie Montgomery, and Mr. Michael Popson; Chemistry, taught by Br. Lawrence Mooney and Mrs. Sue Jones; Physics, taught by Br. Patrick Hayes; and Anatomy and Organic Chemistry, taught by Dept. Chairman Michael Hoch.

English

A key skill to success in high school and college is the ability to write and to express ideas clearly and creatively. The English Department not only teaches the basics of the English language, but it also teaches students to build this into well written papers. They also attempt to instill in the students an appreciation of literature. The teachers are Department Head Marcel Gagnon, Mr. Tom Daniels, Mr. Steve Hebold, Mrs. Marlene Maniere, Mr. Patrick McDunn, Br. Don McGovern, Sr. Judine King, Mrs. Ann Plunkett, Mrs. Patricia Taggart and Mrs. Carol McHale.

History

History is often given too little consideration by many people. They assume that the past has no bearing on the present or the future. This could not be further from the truth. Without understanding the past, we cannot expect to be able to cope with the future. Precedents and mistakes of yore hold significant clues to solving contemporary dilemmas, while the analysis of the progress of the human race will give us the ideals and goals that we must strive to attain in the future.

The Brother Rice History Department gives this vast subject the attention it deserves. The resident historians are Mr. John Birney, Mrs. Carol Crusoe, Br. Robert Beckstrom, Mr. Douglas Filo, Mr. Albert Fracassa, Mr. Michael Jamieson, Mr. Al Jones, Sr. Marie Ellen Moir and Department Head, Mr. John Kerr.

Language

Today, with the intense competition for college entry, many universities have started to look for skills for which only the most well-rounded students can qualify. A solid foundation in a foreign language is one of these skills. Brother Rice recognizes this crucial academic field. Headed by Mrs. Veronica Dewey, the Language Department requires a student to take at least two years of either French or Spanish, while encouraging him to take third and fourth year classes. Latin is also offered. Besides Mrs. Dewey, the language teachers are Mr. Andre Civil, Sr. Ann Dumas, Mr. George Henretty, Br. David MacIntyre, Br. Joseph King, Br. W.R. Younghans and Mr. George O'Brien.

LIBRARY

When a student wants to concentrate as he studies for an upcoming test, he will have much difficulty finding the necessary tranquility. Try the Library. Mrs. Helen Ginzler-Fishman, longtime Head Librarian, retired this year. Her assistants, Mrs. Lillian Maben and Mrs. Celia Zielesch, along with many students who participate in the Library Science program, are responsible for seeing that the library is an advantageous study room.

BOOK STORE

Oh-oh! Did you misplace that History book? Did your #2 pencil break before that scan-tron test? Don't panic, Mrs. Ankenbrandt can help. The bookstore has long been serving the students' many needs, whether it be a notebook, textbook, or a sweatshirt, the bookstore has it.

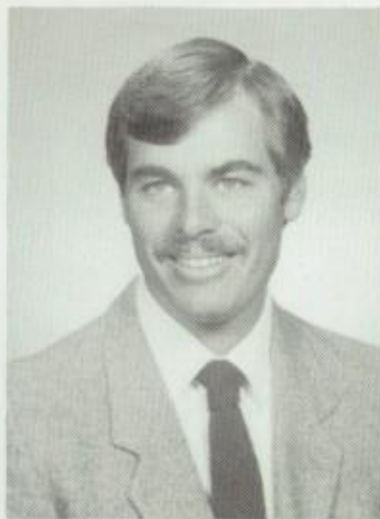

Beginning last year, when Mrs. Ankenbrandt began running things, the bookstore has been open most of the day, not just during the hustle and bustle of the beginning of the day and dismissal. With this kind of service, there is almost no excuse for a lost book or lack of a pen.

MIDDLE: Mrs. Zeilesch gives us her winning smile. BOTTOM: Mrs. Maben, for the typewriter to work, you have to press the keys. LEFT: Mr. Fishman, Mrs. Helen Ginzler-Fishman, and Br. Gremley at the retirement party.

Theology

The Theology Department, headed by Mr. Jay Louis-Prescott, strives to instill Christian morality into students. Beginning with the first of the four mandatory years of Theology, students have a chance to study Christ's life. Sophomores receive exposure to the Church's rich history and traditions. As juniors gain more freedom, it is important for them to learn and maintain Christian morality. Seniors study Theology from a more adult perspective. Subjects such as marriage, the growing divorce rate, drug use, and crime are analyzed by discussion groups. Seniors are given the opportunity to replace classwork by participating in the Christian Service Program. This consists of doing a semester of volunteer work at Wing Lake School or at the Lighthouse Soup Kitchen. "Sanctitas Per Scientiam," meaning Holiness through Learning, is the goal of the dedicated members of the Theology Staff.

MATHEMATICS

From Pre-Algebra to Calculus, the Math Department offers almost any math course you could want. After the required courses of Algebra I and II, the student can choose to take Geometry, Analysis, then Calculus; or he could take Probability and Statistics. Mr. Tony Sincic is the head of the Math Department, one of the largest programs offered by the school. The other teachers are Mr. Frank Carrico, Br. Eugene Kelly, Mr. David Kozlowski, Mr. James Rademacher, Mrs. Mary Johnson, Mr. Bob Stark, and Mr. John Ryan.

SPEECH

Headed by Mrs. Rosemary Gaas, the Speech Department strives to arm the students with the tools that are necessary for effective public speaking. During the mandatory one-semester Speech course, each student is exposed to the steps that are necessary for proficiently expressing his ideas verbally. Students who care to continue this unique exposure can take classes in Debate or Forensics. Mrs. Gloria Michalski also provides a platform upon which students can gain increased self confidence by participating in her speech classes. Our public speaking ability is something that each of us can strive to improve by continual practice.

PHYSICAL EDUCATION

The goal of Brother Rice is to produce young men with strong faith, strong minds, and strong bodies. The Physical Education Department, headed by Mr. Nick Conti, attempts to keep students physically active while attending school, as well as providing the motivation to stay physically active after graduation. During the two years required, the students are allowed to do many activities, such as basketball, volleyball, and ping-pong. There is also a distance running requirement which each student must fulfill. The other Physical Education instructors are Mr. Al Fracassa and Mr. John Major.

The Maintenance staff is devoted to maintaining a clean learning atmosphere. Students rarely see these people, yet they work vigorously from dismissal to late at night. CONGRATULATIONS GOLFERS!

The Varsity Golf Team had a storybook season this year. They compiled a perfect 10-0 dual match record and won 5 out of 7 tournaments, including the Tri-State Invitational and the Regional tournaments. They lived up to the #1 ranking by the Coaches' Association by capturing the state tournament. The top five members of the team were mentioned in the all-state selections. Senior Hank Andries was chosen as a member of the super-team, which consists of the top 8 high school golfers in Michigan. Senior Mike Crook and Junior Rob Morad were chosen for the all-state team, while Dave Brown and Anthony Dietz were honorable mention all-state. Coach Rademacher is optimistic for next year with 6 of 8 varsity golfers returning and the J. V. Team having a fine 8 and 3 year.

FOOTBALL WINS CATHOLIC LEAGUE

The 1986 Brother Rice Varsity Football team overcame two tough losses to claim the Catholic League Championship in a thrilling win over Dearborn Divine Child at the Pontiac Silverdome. Heartbreaking defeats at the hands of Flint Powers and Redford Catholic Central were the only blemishes on The Warriors 7-2 record. The Warriors were guided by the combined force of Head Coach Al Fracassa and Co-Captains Bill Fitzpatrick and Keith Stonestreet. The offense moved the ball by way of a solid ground game. Linemen Lance Sell, Bob Mitchell and Paul Manning opened up the holes for the running trio of Steve Schutz, Jason Wolf and Tom Giroux. The defense allowed its opponents to score an average of less than seven points per game. The defensive front was anchored by Jeff Hurlbert and Matt Dietrich, while Matt Bergmann, Paul Ferguson, Dave Geraghty and Charlie Brennan roamed the secondary.

The Junior Varsity Football team had a fine season with a record of 5-2. The defense was led by captains Brian Polick and Andy Watkins and it stopped most opponents in their tracks. The offense was led by quarterback John Rose and the leading rusher Paul Zarek. The team owes a lot of thanks to Mr. Birney, Mr. Jones, and Matthew Popson, who helped coach an exiting season.

For the first time in the school's history, the Soccer Team won the coveted Catholic League Title, defeating Bishop Foley in a semi-final shootout and arch-rival, De La Salle, 3-2 in the finals.

This year's team can be proud of their accomplishments, while looking forward to increased success next season.

Three other seniors, Brian Mullane, Dan Voss, and Paul Lyons, excelled in their events as well. Top returnees for next year are juniors Kevin Whilion and Homestead Gleeson; sophomores Joey Deighan, Pete Biglin, and ELMO Diegel; and freshman Chris Callan.

One of the main highlights of the season was their victory over Chicago Brother Rice in Chicago. Although much of their team will be lost to graduation, Brother Rice will be back in the swim once again next year.

VARSITY BASKETBALL

The 1986-87 season was a trying time for the Varsity Basketball Team. A rocky start lowered the team's initial high spirits. Despite the tremendous effort put forth by all the players and coaching staff, they did not have the season they were anticipating.

Nevertheless, with its persistent determination, the team did not have a losing season. At midseason, they kicked into high gear and finished with a 13-11 overall record.

The key players, Scott Newman, Scott Micus, and Pat Potter, led the team to become Catholic League Co-Champions. (The team has shown tremendous come-from-behind effort and ability, which will surely be an asset to next year's Varsity team.)

SKI TEAM

Under the leadership of team captains Brian Polick, David Byrd, and Colleen Sweeney, the 1986-87 Brother Rice-Marian Ski Team was victorious. The team placed third in the League and was rated fourth in the region. Brother Rice's Ski Team is destined to become even more formidable with such future talent as underclassmen Rick Patterson and Mike Cook. Coach Bob Vail has done an outstanding job of cultivating the raw talent into a respectable organization that will be extremely competitive as it matures.

STATE CHAMPS!

Led by third singles player Marty DiLoreto and first doubles team of Pat Walsh and Scott Micus, the '87 tennis team won the State Championship. The team was coached by Mrs. Garcia and Mr. Stutcher. In the state tournament DiLoreto, a senior, defeated East Lansing Freshman Gus Giltner 6-2, 6-4. Walsh, also a senior, and Micus, a sophomore, defeated Catholic Central's doubles team 6-2, 6-3. Rice topped off their amazing season with 27 points, overcoming second place East Lansing's 25 points and third place Catholic Central's 23.

Team Captains Mike Sennett, Scott Beer, and Joe Kelly were catalysts that ignited the team to their success. Highlights of last year included winning the State Championship and being 1st runner up in the Midwest Division. Most of the team's foundation will remain for the upcoming season.

The Rouserettes, instructed by Mrs. Donna Frendo, helped to keep crowd spirit high with their entertaining shows. Performing at other functions, such as the Open House and for President Reagan. At a political rally, the girls showed their ongoing tradition of excellence.

VARSITY HOCKEY WINS REGIONALS

The Warrior Varsity Hockey Team, often considered to be the underdog, finally gained the respect it deserves in the 1986-87 season, becoming one of the best teams in the state.

The team earned that respect by defeating #1-ranked, arch-rival, Catholic Central, and Trenton. They also won the Sault Ste. Marie Lions' Club Invitational by defeating #1-ranked (Class B) Sault Ste. Marie, and also beat this year's State Champion, Alpena. The Hockey team won regionals and went on to the playoffs for the State Finals. Pat Fahey ranked #2 in points scored in the Michigan Metro Hockey League. Derek Bono and Joel Stempien tied for fourth place.

The Warriors were led by seniors Brad Bisschop, John Blobner (Alt. Capt.), Derek Bono (Alt. Capt.), Pat Bracco, Joe Dompierre, Peter Eckert, Pat Fahey (Alt. Capt.), Greg Hope (Alt. Capt.), Shawn Inzitari, Brian Moran, Captain Ted Ziegler, and junior phenomenon Joel Stempien. All of the eleven graduating seniors will be greatly missed.

1986 BASEBALL: 2ND IN STATE CHAMPIONSHIP

Ranked #1 in pre-season polls, the Brother Rice 1986 Baseball Team was challenged in an up and down year that saw them go into a disastrous slide after key player John Timco was injured with a broken foot. Hard work and determination paid off and, helped greatly by the emergence of pitcher Steve Schutz and hard-hitting Mark Maxwell, they returned to their winning ways. Rice then made a remarkable run through the districts and regionals. Unfortunately, the dream ended with a 6-5 defeat at the hands of Ypsilanti in the final game of the State Championship, bringing to a close the most successful baseball season in the history of Brother Rice.

The 1987 Brother Rice Wrestling team had an outstanding season with an overall record of 11-1.

The great leadership displayed by Co-Captains Kevin Kazyak, Paul Debrincat, and Mike O'Connor was the key to the team's success. The coaching staff, led by John Majors, Gary Cornell, Jim Kanaby, and Pat Stano also aided greatly in the team's effort.

The team finished 4th in the state with individual honors going to Chris Snook, Dean Moscovic, and Paul Debrincat, all of whom were chosen as All-State Wrestlers.

'86 TRACK TEAM FINISHES IN A FLASH

The 1986 Brother Rice Track Team had an excellent season. The team compiled an impressive 7-1 dual meet record. Under the fine coaching staff headed by Mr. Michael Popson and Mr. Robert Stark, the team was able to blow away such formidable rivals as Catholic Central and Bishop Gallagher. Team captains Tom Allen, Joe Love, Ed Hickey, and Dick Thornbury ignited the team with their lightning quick performances. Other top performers included juniors Sean McMannon, Bill Fitzpatrick, Matt Bergmann, and Dan Healy; sophomore Marcus Hudson; and freshman La Marr Peters. Special thanks goes to head coach Michael Popson, who motivated the team and inspired us to work harder. Bob Stark will assume the new position and all of its related responsibilities. GOOD-LUCK!

MARCHING BAND

As an essential part of school spirit, the Brother Rice Marching Warriors help inspire our athletic teams to dig for that last minute effort that is necessary for winning games. Mr. John Reinhard has been instrumental in the growth of the band program at Rice. Their intricately designed routines are complemented by the 24 member Drill Team. The band's rigorous schedule included many local appearances and concerts. Additionally, they were invited to play at Cobo Hall for President Reagan. The high point of the Marching Warriors' performances this year however was an appearance in the St. Patrick's Day Parade in Dublin, Ireland.

TOP: Mr. Reinhard conducts at a concert.

PEP BAND

The Brother Rice Pep Band is a group of high-spirited students who work hard for very little recognition. These young men can be seen at almost every away football game and almost all of the hockey games. These men have shown the great spirit of Brother Rice throughout the community and should all be thanked for a job well done.

PEP CLUB

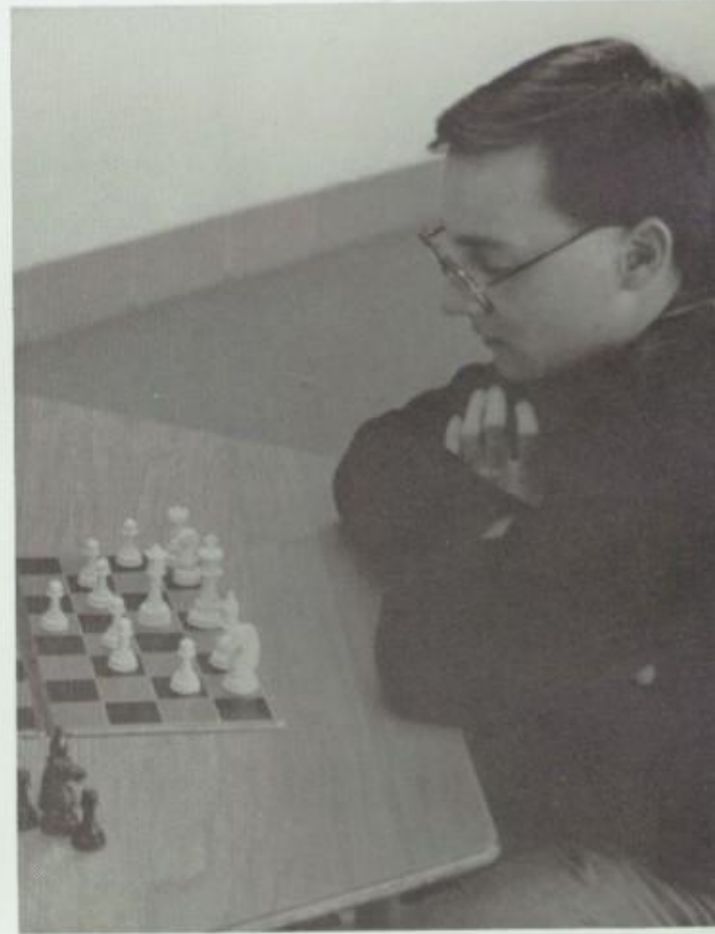

The 1986-1987 Pep Club did its best to encourage school spirit at sports events. The Pep Club members were Ed Schwartz, Mike Shapiro, Adam Waechter, Mike Carroll, Dave Podeszwa, Mike Sennett, John Andrews, and The Warrior, Paul McKeon. These people worked together to arouse school spirit and enthusiasm. They helped us to change our abstract views about Brother Rice into concrete feelings of pride and shouts of enthusiasm.

ABOVE: The pep Club fulfills its job of motivating student spirit.

CHESS TEAM TRIUMPHS

Brother Rice was represented by an excellent chess team for the 86-87 season. The team consisted of Al Adams, Paul Sieradzki, Robert Gagnon, Joe Siuda, Paul Kubicz, Paul Becker, Alan McMillan, Steve Poth, Vince Tranchida, and Mike Bego, who was chosen by teammates to be given the most patriotic award. Coach Paul Gray led his team to an outstanding 5-1 record, with one of the wins over perennial power Detroit Country Day. The team loses many valuable Seniors this year, yet hopes to compensate their loss with the improvement of returning members and the addition of new players.

BAND PLAYS THE STREETS OF IRELAND

The 1987 Ireland Band Trip was first conceived last summer. After setting their objective, the band set out to attain this goal by attempting numerous fund-raising techniques. The projects included paper drives, calendar sales, baseball card shows and even M&M candy sales, all of which were successful. After many months of hard work and sweat, approximately 75 students from Brother Rice and Marian departed for a seven-day journey on March 12. In addition to many sightseeing tours, the band had serious business to do. They competed in several musical contests where they received high honors, placing 1st and 2nd. The Brother Rice Band also participated in the Dublin St. Patrick's Day Parade, which was broadcast on *Good Morning America*.

DRAMA CLUB

As usual, the Marian-Rice Players presented two wonderful plays. *Brighton Beach Memoirs*, the fall drama, had a small cast, consisting of Mark Hawkins, Meghan Flynn, Gus Rivera, Andrea Trebnik, Kelly McGrath, Vito Guerra, and Lisa Hakim. *Mame*, the spring musical comedy, had a very large cast of over fifty people. The lead roles were played by Andrea Trebnik, eight year old David Trebnik, twelve year old Chris Brennan, Pat O'Shaugnessey, and Kevin Brennan. Marian Drama teacher, Mrs. Louise Smela, directed both plays.

DEBATE AND FORENSICS

The Debate Team got off to a running start this year with the new Debate and Forensic coach, Mrs. Rosemary Gass. Varsity Debaters Jerry Szpotek, Clint Weber, Ashok Rodrigues, and Craig Hendrickson went to the Michigan Speech Coaches Association State Tournament, where they placed in the top ten. Novice Debaters, led by Mike Suchowski, Min Song, John Boudreau, Paul Kubicz, and Chris Charla, fought their way to districts. Varsity Debaters Dan "Howie" O'Connor, Tom Ward, and Jeff Langan also competed in many regional tournaments.

This year was a great success, upholding the traditional excellence of Rice's Debate Team. Numerous awards were won, though both the Varsity and Novice teams lost heart-ache rounds at States.

Forensics were also a great success. Senior Joe Siuda and Juniors Craig Hendrickson and Min Song competed valiantly at districts. Min was awarded alternate and Craig ripped through to regional play. A strong nuclear team returns for next year.

INTRAMURALS

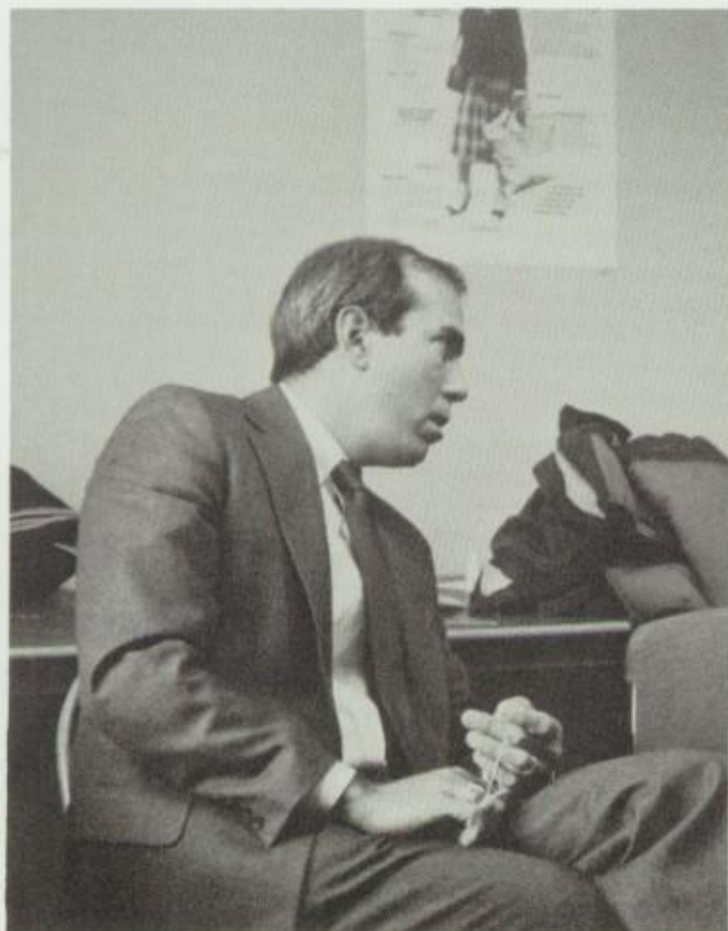

Brother Rice is known for its outstanding inter-scholastic athletic program, but few people know of its intramural program. Each grade has its own league. Those who participate in the program (almost everyone who doesn't play the sport inter-scholastically) form their own teams and help moderator Br. Lindeman ref the games. The sports involved are basketball and football. The games, especially with the Junior and Senior leagues, become very intense and highly competitive. However, the program provides the opportunity for all to participate, without any tryouts and are only as competitive as the individuals want.

THE QUEST

The 1987 Brother Rice Yearbook, the *Quest*, is the result of a dedicated and persistent group of students. The staff was headed by Editors-in-Chief Mike Sommerfeld and Matt Desmond, and Assistant Editor Jeff Warren. Moderator Ann Plunkett provided guidance and support.

The staff has worked diligently to capture within these pages the excitement and memories of this past year at Brother Rice. We hope you will share them for many years to come.

PHOTOGRAPHY CLUB

The purpose of the Photography Club is to provide students experience in taking pictures and learning how to develop film. These pictures are then used in the school publications as a record of student life.

Due to a strong recruitment drive, many underclassmen have joined this year, and Brother Robert Beckstrom, Club Moderator, predicts a healthy future for this activity.

THE CHIEFTAIN

BE THE BEST
YOU CAN BE

An informative newspaper gives its reader more than a summary of recent events; it offers more than an objective, practical glimpse of the happenings of the area. An effective, enduring newspaper must not constantly dull the news and turn it into distant stories of insignificant consequences. To be a paper of the people, of the students, it must possess articles that not only inform but also provoke. Interest must be raised, actions must be questioned, and, at times, controversy must be introduced. Opinion exists in the same amount as objectivity in a healthy and responsible paper.

This year's *Chieftain*, under the direction of Editor-in-Chief Bill Doyle, strove to meet these lofty standards. Bill was helped by his team of qualified Editors: Dave Podeszwa (Managing Editor), Roman Politi (Copy Editor), Mike Carroll, Channing Tassone, and Chris Alexander. Under the guidance of Mr. Marcel Gagnon, the *Chieftain* again reached a state of excellence and maintained its reputation for quality journalism.

M.U.N. TAKES CARE OF WORLD BUSINESS

This year, many students actively participated in Model United Nations at Mercy, Marian, U of D, and on a national level at Washington, D.C. The delegates who attended the national event were Club President Dave Podeszwa, Bill Doyle, James Hartley, Tom Doherty, Hoyman Hong, Robert Gagnon, Ashok Rodrigues, Craig Hendrickson, Luis Maas, Anil Sharma, and Min Song. They faced not only the problems of world politics, but also those between rival schools.

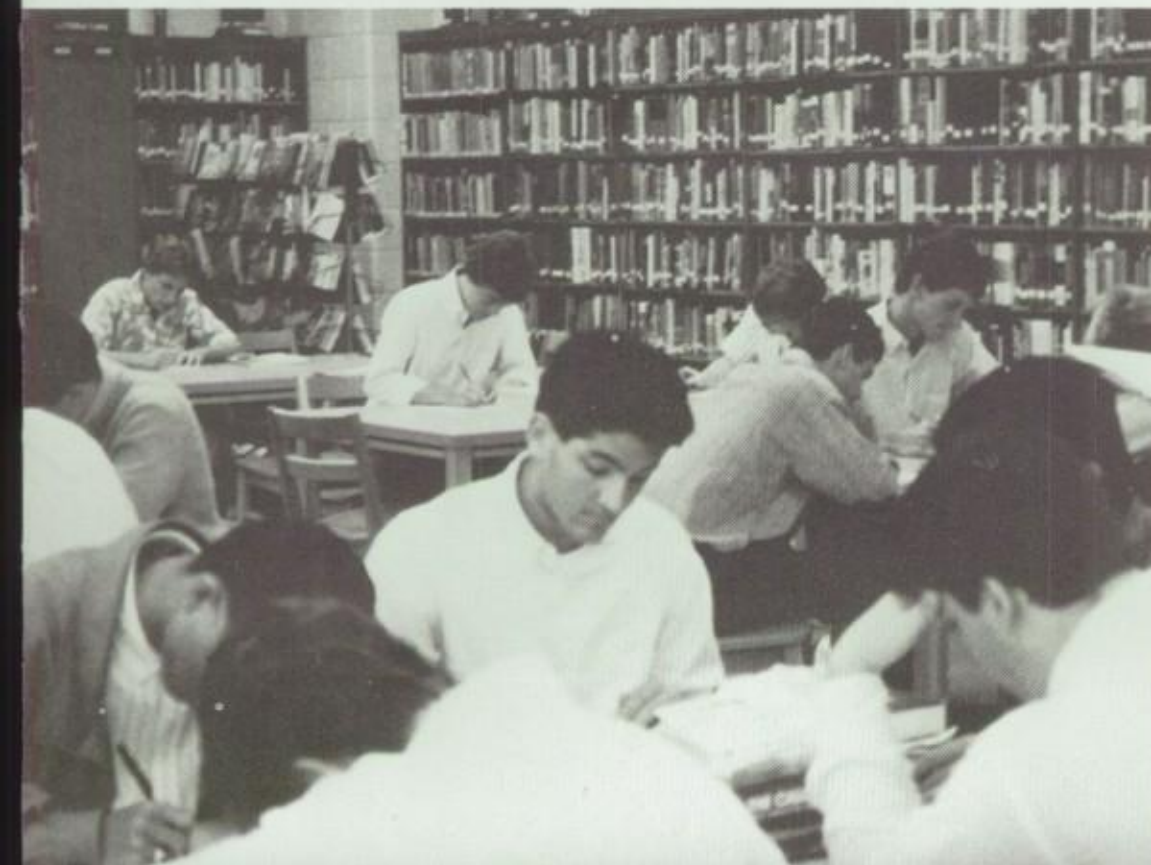

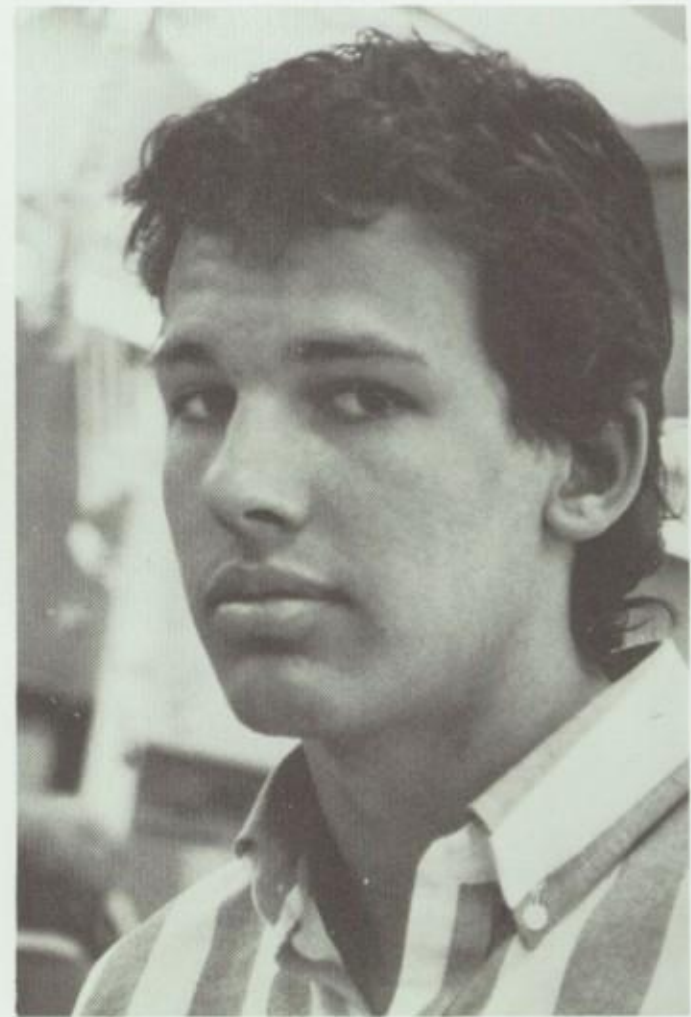

Thank You all for caring about the world.

NATIONAL HONOR SOCIETY

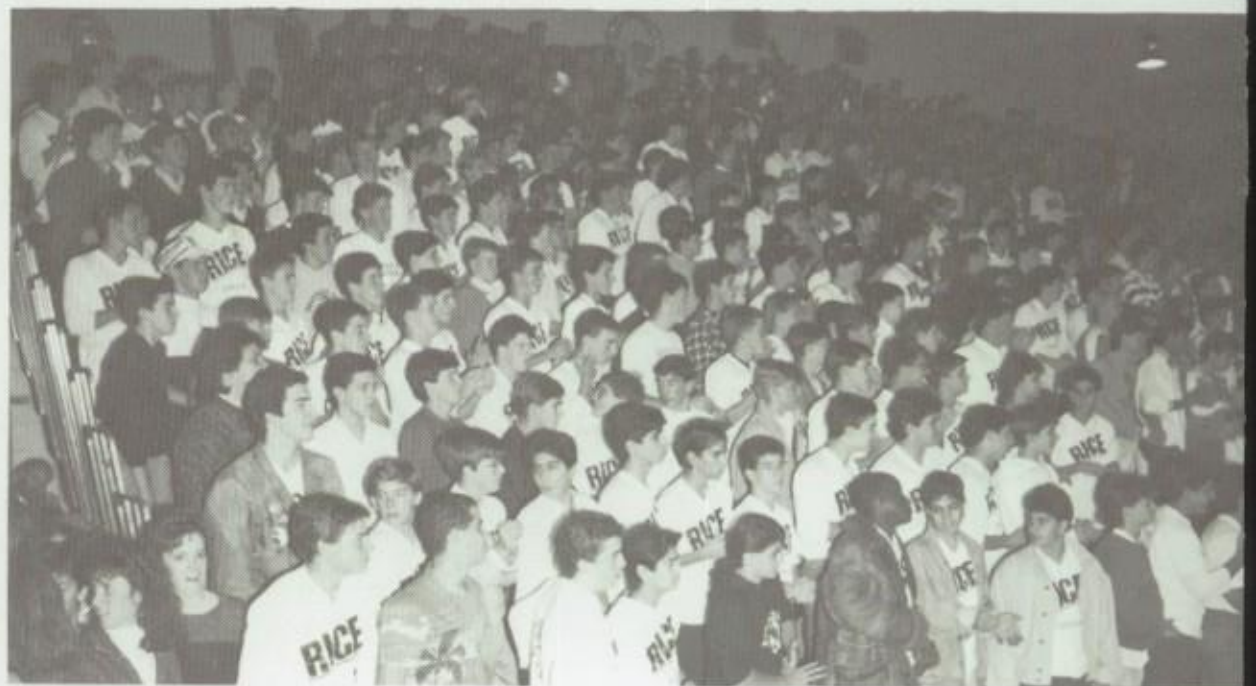

Perhaps the most elite group at Rice is the National Honor Society. To be a member, you must be academically outstanding, show leadership through classes and activities, and have the qualifications to be an example for all students to follow. As a group, the society benefits the school in many ways. Its members provide a tutoring service for anyone needing help in any subject, provide the majority of waiters and other workers for the Irish Nite Auction, help run the used book sale, and run the canned food drive. The President of the society this year was Mike Crook, Vice President was Tim Hermes, Senior Representative was Bill Doyle, and the Junior Representative was Dan Sullivan. Mr. Michael Hoch acted as moderator, providing himself as liason between the members of the society and the faculty/administration as well as helping organize society activities.

SPIRIT DAY

SPIRIT DAY

Spirit Day is unique because it gives the student a chance to enthusiastically display school spirit. Loud chants and cheers encourage our teams to victory. The real fun begins once the Homecoming Court is announced. After the Homecoming Queen has dazzled us with her beauty, we are entertained by the Marian Rouserettes. During this, our brave Spartans are gearing up for the first annual chariot race. As usual, the gallant Senior dominated in every event, ranging from the tug-of-war to the volleyball match.

MOTHERS' CLUB

The Mothers' Club is an organization whose main function is to bring together people, faculty, students, parents, and various members of the community, for fun and work. Thanks to them, the Mothers' Fall Tea, Meet the Faculty Night, the Freshman Parents' Party, and the Mother-Son dance were all a success. They also hosted the Freshman Open House, Faculty Christmas Brunch, and the Spring Scholarship Luncheon.

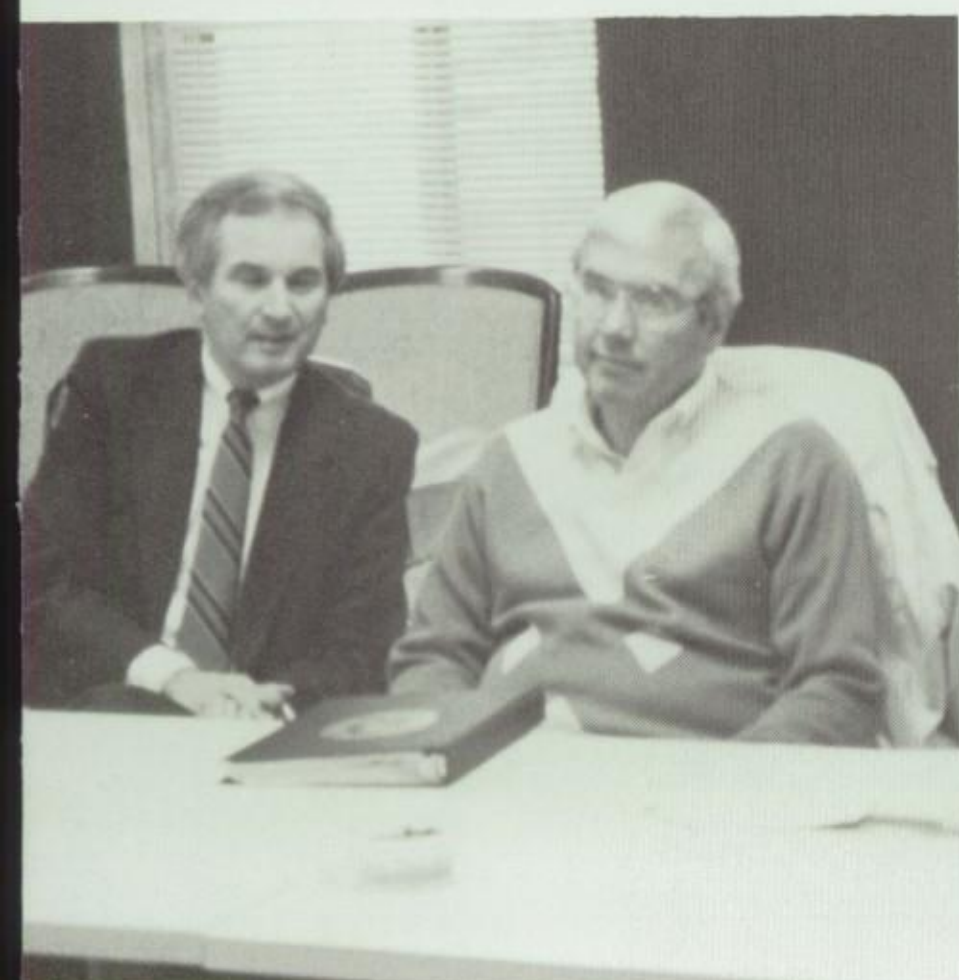

The Clubs main activities are Trish Nite and the Spring Luncheon. These activities pull in funds which are used for many projects and scholarships for needy students. If it were not for these activities, many projects and students would not be at Rice.

Thanks to all the ladies who graciously donated their time to Br. Rice and its betterment.

DADS' CLUB

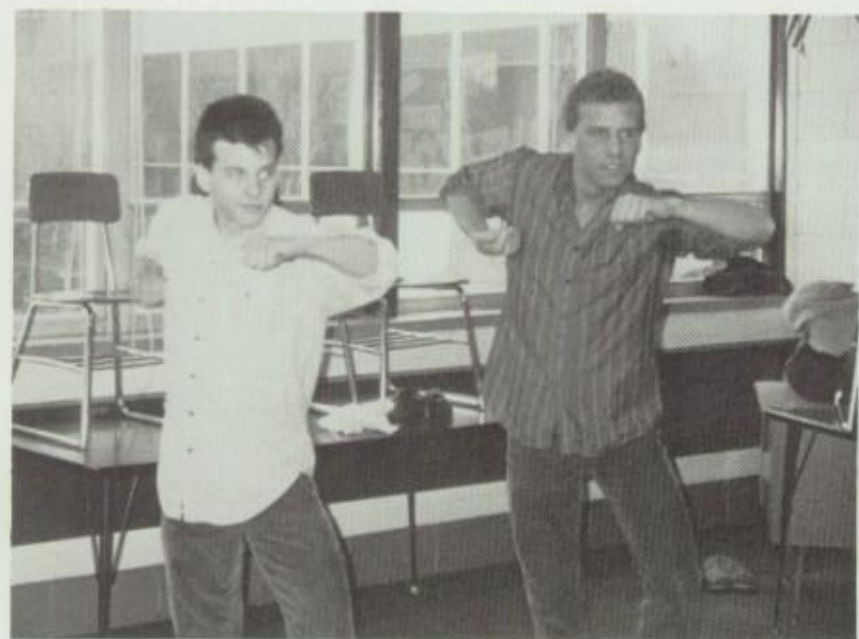

Brother Rice's Dads' Club is a valuable asset. It is held together through dedicated leaders: Terry Desmond, President; Dennis Sullivan, Vice-President; Len Sznewajs, Secretary; and Dave Sommerfeld, Treasurer. They help the school with fundraisers and special events. They also provide their services at events like the Prep Kick-Off Classic, Boys' Bowl, and Career Day. They join with the Mothers' Club to organize and prepare the school's most important fundraising event of the year, the Irish Nite Auction. Through this fundraiser, they help keep the school growing and prospering.

KARATE CLUB

In its second year, the Karate Club continued to teach its members this refined art. Beginning students learned *Isshinryu* and were taught basic exercises, such as punches, blocks, and kicks. They also learned *Katas*, which are forms of exercises. All the participants practice self defense techniques involving *Karate*, *Judo*, and *Aikido*. Eventually, all students in the group will *kumite*, meaning fight. Karate is an individualistic sport, and each individual in the group moves at his own pace.

The moderator is Mr. Henretty. His experience in the Martial Arts field includes 2 years of *Aikido*, 3 years of *Judo*, 4.5 years of *Tang Soo Joo*, and 17.5 years of *Isshinryu*. Karate helps to develop physical and mental discipline, which, in turn, helps to develop self-confidence in the individual.

S.A.D.D. AND SAFE RIDES PROTECT OUR FUTURE

Due to the alarming rate of alcohol-related accidents involving teenagers, it was decided in the 1986-87 school year that a SADD (Students Against Drunk Drivers) chapter be established at Brother Rice and Marian.

Senior Gary Sarafa led the development of this chapter at the schools and also helped start Safe Rides. Safe Rides is a group of students who volunteer to drive home any people caught in an alcohol-related predicament.

Highlights of the year included the yearly Project Graduation and a SADD Awareness Week, where SADD members handed out information about this organization, not only to students of their own high school, but also to local elementary schools, where they gave lectures as well.

Alcohol-related accidents by teenagers are not a rampant problem in the Brother Rice community because programs like these assure student awareness.

DANCE-A-THON '87

The 1987 Brother Rice - Marian Dance - A- Thon proved to be an incredible success. The participants had a great time dancing to the tunes by local radio stations DTX and Z95.5.

Many thanks to chairpersons Tom Meidl, Anne-Marie Emmons, Mrs. Debbi Fenske, Br. Hayes, and top seller, Joseph P. McCarthy, who all helped organize the memorable two day event.

Wing Lake

Christian Service is an important part of expressing one's unity with Christ. The Theology department stresses this idea by requiring all students to volunteer five to six hours of their time outside of school in the community. In addition to this, students are given the opportunity to get "on-hands" experience at Wing Lake School for the Handicapped. The experience is unique because it not only demands maturity, but it gives the participants a chance to appreciate the value of the blessings they have received. The Christian Service program is excellent because students have the chance to improve themselves and the community at the same time.

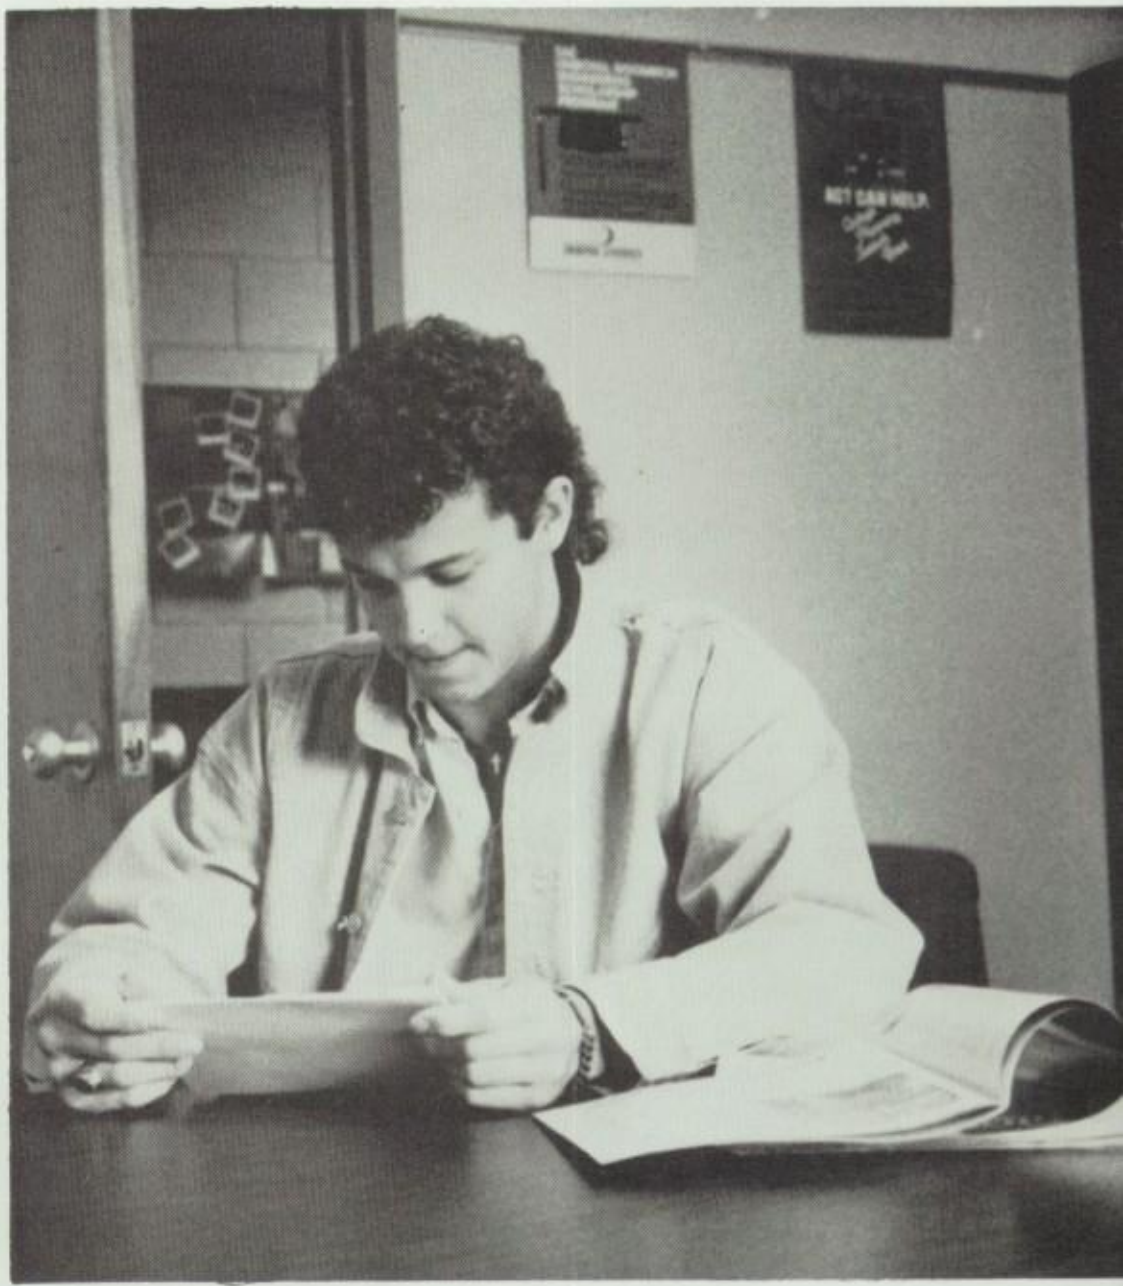

THE LITERARY MAGAZINE: *WRITING ON THE WALL*

The Literary Magazine's contents were very optimistic compared to last year's gloomy writings.

This year's theme was "Writing on the Wall," which shows that the writings had no specific category they had to fit.

Editors Hugh Dean, Jim Hartley, Sean O'Brien, and Mike Plonka have produced a magazine of which they all can be proud.

REINFORCING THE MOTHER-SON BOND

Every year, the Mothers' Club organize an outing for the students and their mothers. In the past we and our mothers have gone square dancing and to a play. This year, the night was spent at a dinner at Pine Lake Country Club with two guest speakers. Mr. Rick Forzano spoke first. He gave a humorous account of his career in the NFL, which was topped off by a rather unsuccessful stay as head coach of the Detroit Lions. Rice graduate Brian Brennan, star receiver of the Cleveland Browns, spoke second. He also told of his past, then explained the importance his mother holds in this life. The night was quite a success, achieving its goal of bringing students and mothers together to celebrate and reinforce the mother-son relationship.

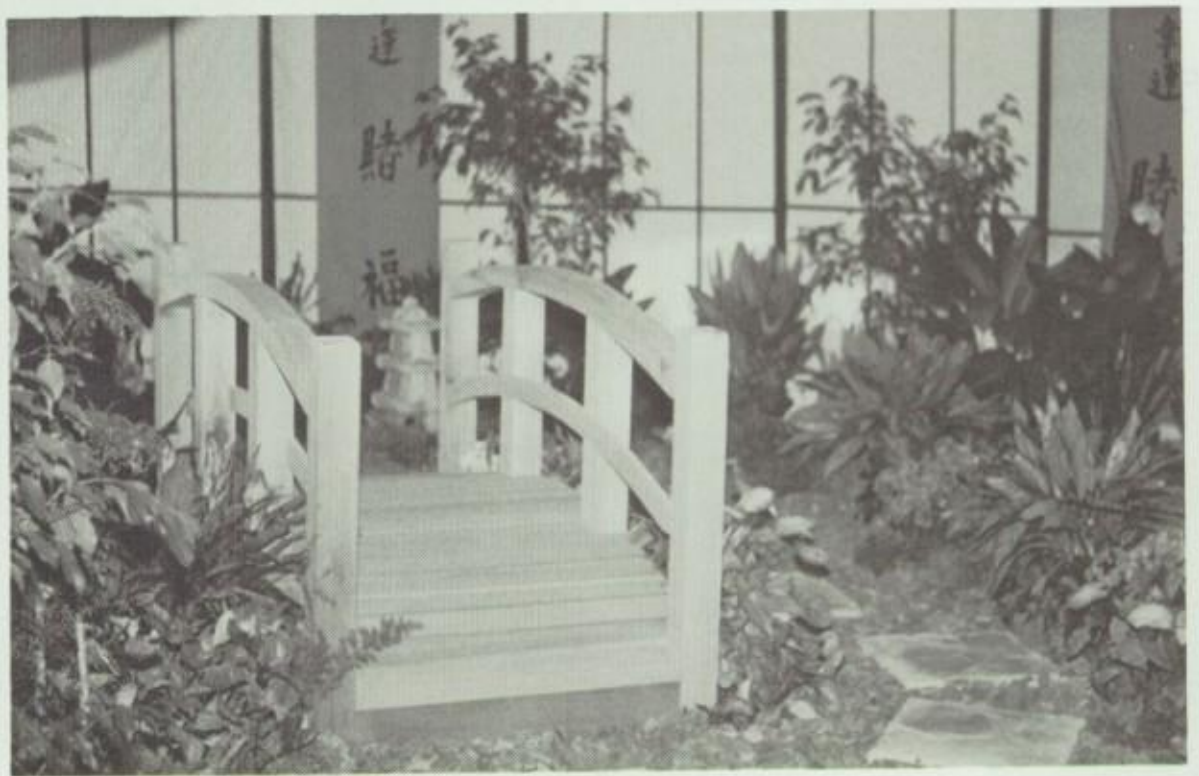

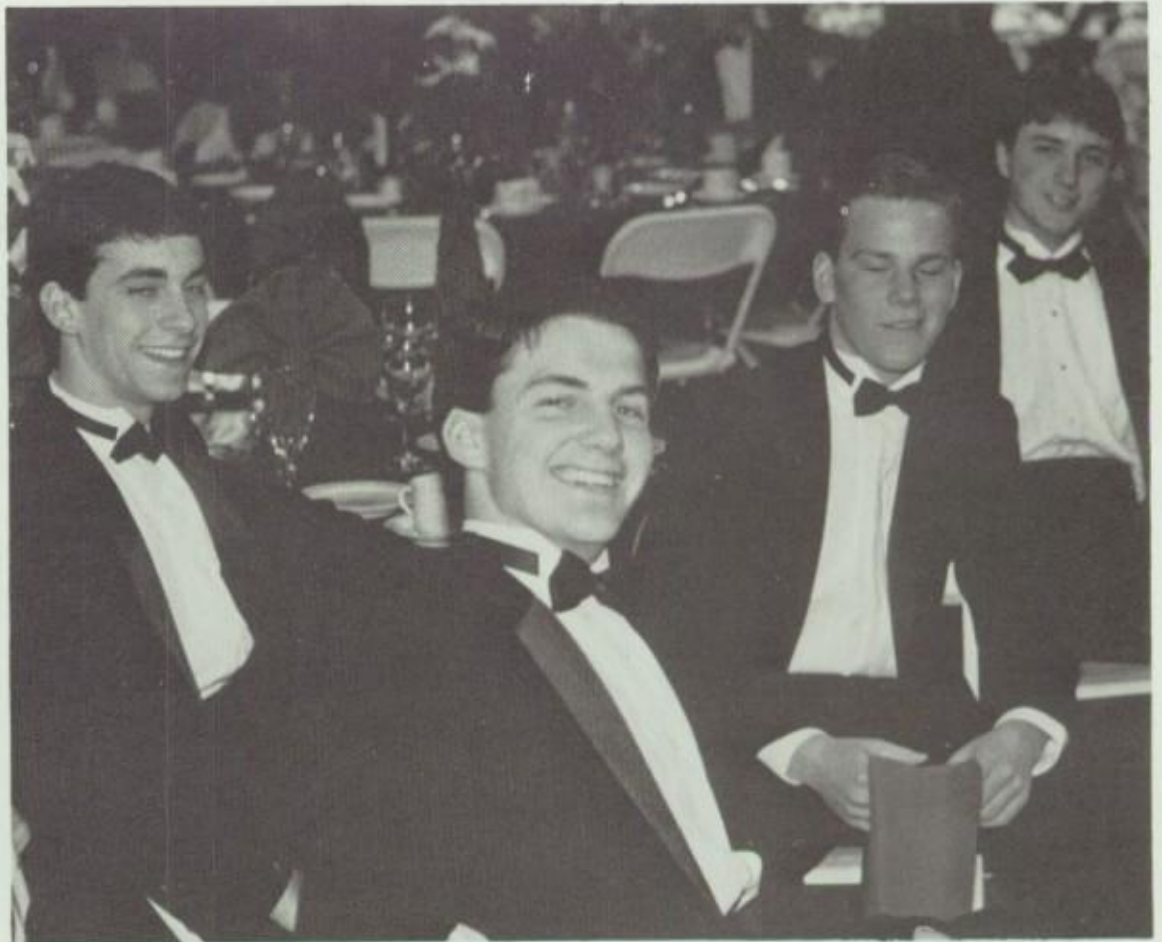

AN EVENING IN THE ORIENT

The Tenth Annual Brother Rice Irish Nite kept up with the school tradition of having both successful and entertaining fundraisers. The theme was "An Evening in the Orient" and the school was elaborately decorated to capture the true splendor and mystery of the Far East. Chairpersons were Mr. James Noteman, Mrs. Carole Ogurek, Mrs. Cecily Barnwell, and Mr. & Mrs. Vincent Polick.

The highlights of the evening included an authentic Oriental feast, several silent auctions, and the live auction, performed faithfully in the spirit of Eastern bartering. Proceeds from the event were contributed to the Rice Building Fund.

SPRING BREAK '87

Is Spring Break as great as it is reputed to be? Are the trips worth all the money? You better believe it!!!! The seniors went to a variety of places this year: Bahamas, Ft. Walton Beach, San Pedro Island, Daytona Beach, and, of course, Ft. Lauderdale. The average trip consisted of swimming, tanning, diving, and PARTYING!!! Many students also took advantage of the available jet-skiing, waterskiing, scuba diving, and para-sailing. Perhaps the most memorable asset of Spring Break was the ease with which the spring breakers made friends with whomever they met.

PROM NIGHT

On May 1, 1987, the Senior class gathered together for what would hope to be one of the most memorable evenings of their entire high school days, Senior Prom.

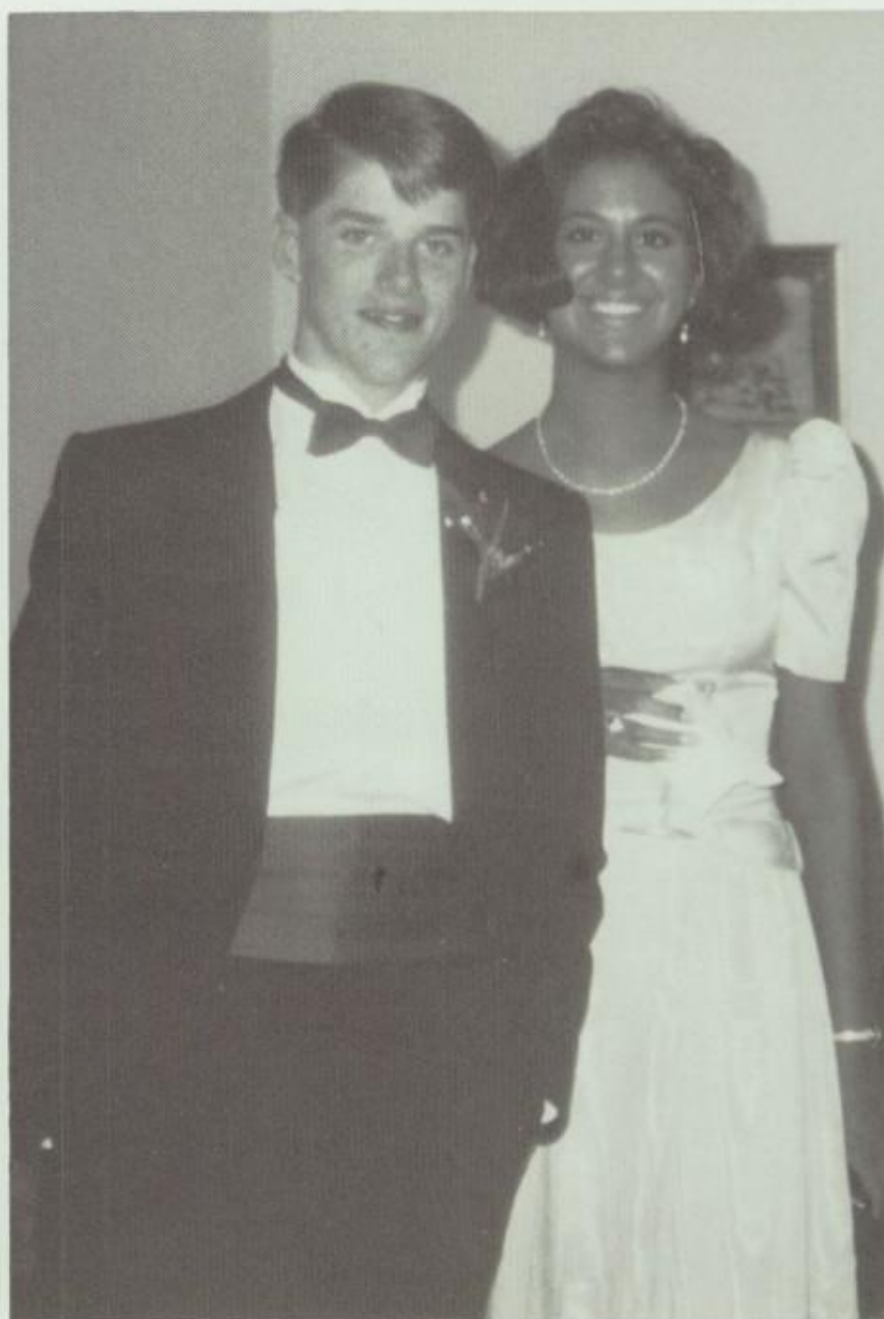

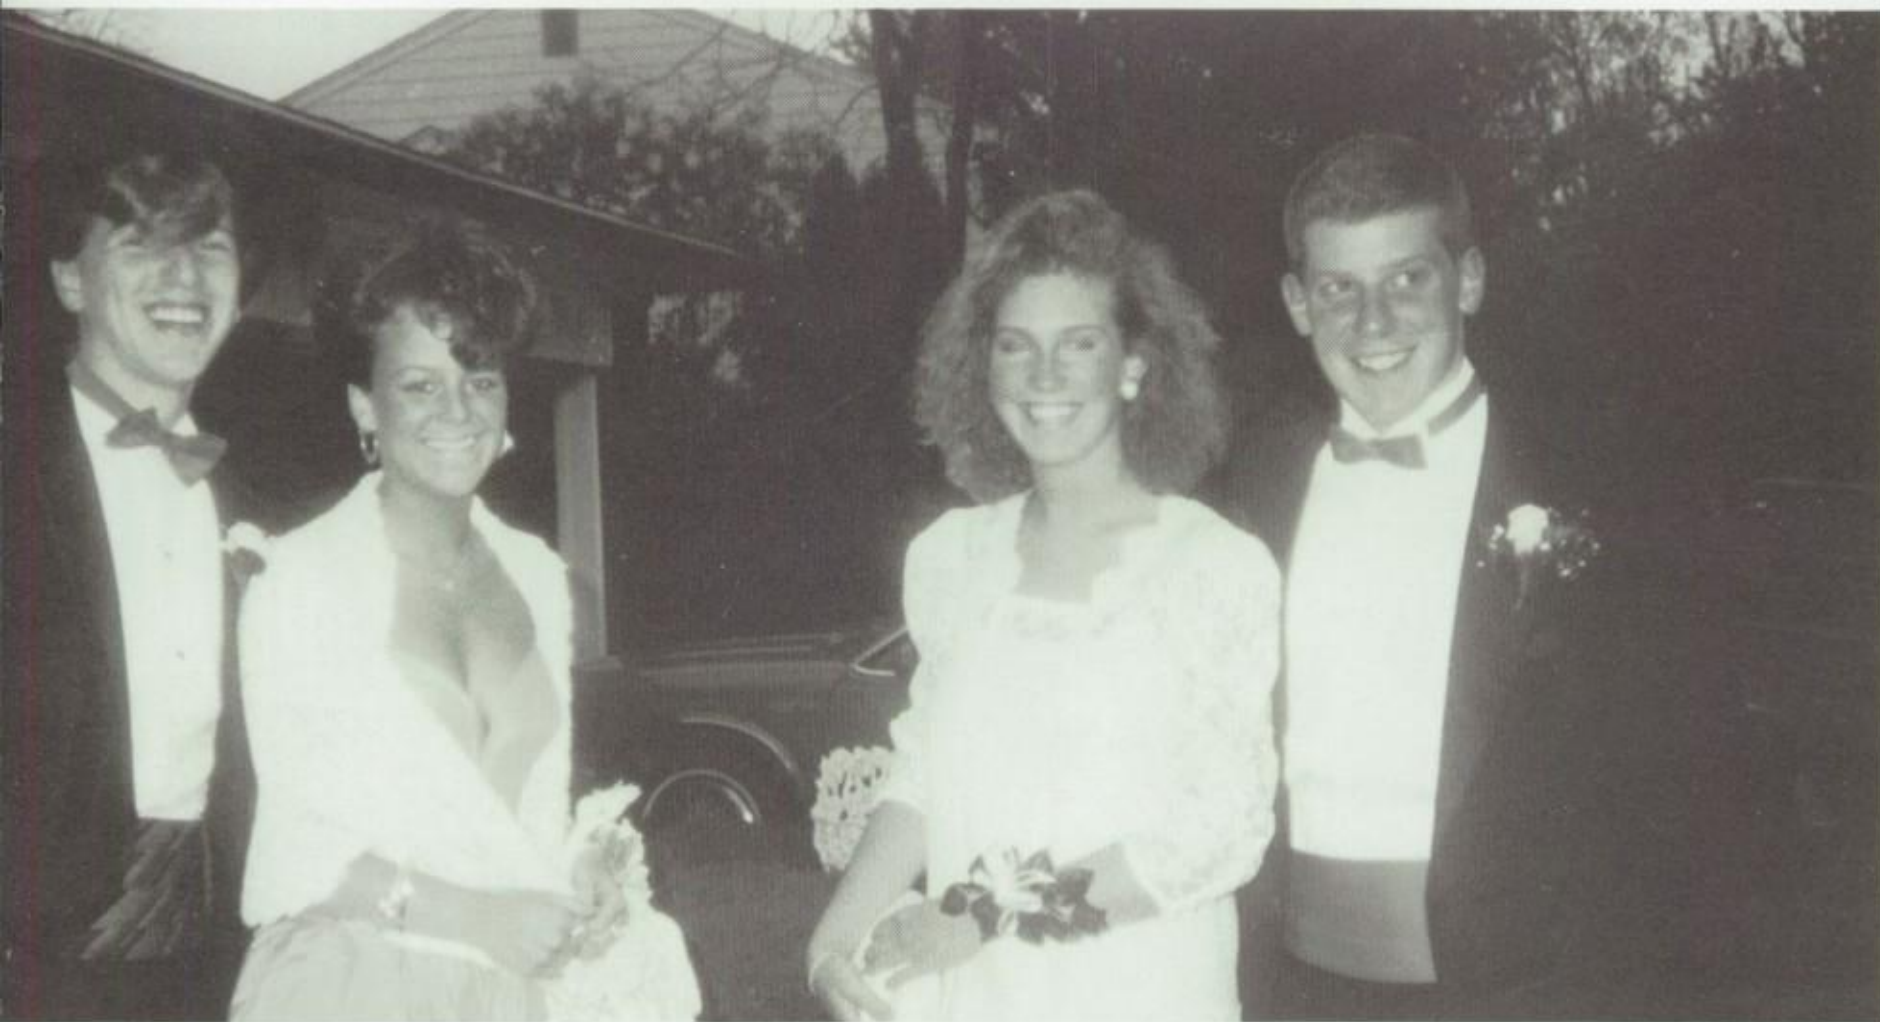

Prom night was full of high spirits and enthusiasm as the Seniors, decked out in tuxedos, escorted their dates to the Southfield Manor where the dinner and dance took place.

All those who attended had a safe and enjoyable time to indeed make the special night unforgettable.

In Memory Of Bobbie Roche

Dear Members of the Class of 1987,

Our family is honored that you have chosen this special way to remember our wife and mother.

We are fortunate to have had five members of our family, Doug Jr., Mike, Dan, Tom and Bob, educated at Brother Rice and our daughter, Barbara, educated at Marian.

Brother Rice was a very important part of Bobbie Roche's life. She loved contributing her considerable talent and energy to any task that would benefit the Rice Community. She was President of the Mother's Club for the 1986-1987 school year. She co-chaired the 1986 Irish Nite fund raiser. She served on several committees that, in turn, served Brother Rice.

She loved not only her children, but her children's classmates. Many of those classmates, even though they graduated and moved away to college or to new communities, regularly called or visited her. Those were wonderful relationships.

She developed many of her closest friendships with members of the faculty and other Rice parents.

Bobbie saw, with a clarity of vision that is given to few, the limitless good that could be achieved by the entire Brother Rice Community, students, faculty and families, loving each other and working together in the common cause of Christian education of our children. She acted in pursuit of this vision with great zest, humor and gentleness. Her contribution to the Brother Rice community will endure in many ways.

Our prayers, best wishes and gratitude are with you.

Sincerely,

Douglas D. Roche

In Memory Of Terence M. Dilworth

1960 - 1987

Why did you have to leave?
I guess we'll never know

The tears that fall
We'll never understand.
I guess it's because
We'll miss your guiding hand.

The good times, the bad times,
A burst of laughter, the shedding of a tear,
I'm afraid Spring will bloom
Much differently this year.

Our coach sometimes,
Our friend forever,
Terry, we'll miss you,
Forget you never.

For "States" we'll try
Our teary eyes now dry.
We would do it for you
And all we went through.

You brought us together
As a team,

And winning the "States,"
We know was your dream.

You were more than a coach,
You were more than a friend.
You will always stay with us
Until the very end.

But now it is time
To say Good-bye,
With a smile on our face
And a tear in our eye.

In honor of you,
We'll wear a patch of black,
To remind us of a friend
Who would never turn his back.

We will always remember you,
From beginning to end,
And our spirit will stay with you
Because you're our friend.

With Love,
The Marian Mustangs

IN THE NAME OF THE FATHER AND OF THE SON AND OF THE HOLY GHOST, AMEN.

MOST HOLY AND ADORABLE TRINITY, FATHER, SON AND HOLY GHOST:

PROSTRATE IN PROFOUND ADORATION BEFORE THY INFINITE AND ADORABLE MAJESTY, I CONSECRATE MYSELF TO THEE TO PROCURE THY GLORY AS FAR AS LIES IN ME OR THOU ART PLEASED TO REQUIRE OF ME. FOR THIS PURPOSE I, BR. Alphonsus BEG NOW TO BECOME A MEMBER OF THE CONGREGATION OF THE BROTHERS OF THE CHRISTIAN SCHOOLS OF IRELAND, FOUNDED UNDER THE PROTECTION OF THE INFANT JESUS AND THE INVOCATION OF HIS VIRGIN MOTHER, AND I PROMISE THAT I WILL REMAIN FOR EVER IN ORDER TO TEACH THE BOYS IN ANY SCHOOL TO WHICH I MAY BE SENT BY MY SUPERIORS AND TO PERFORM ANY OTHER DUTIES WHICH MAY BE ASSIGNED TO ME BY THEM. FOR THIS END I, BR. Alphonsus IN THE PRESENCE OF Br. Berchmans Doyle DELEGATE OF THE SUPERIOR GENERAL, MAKE THE SIMPLE VOWS OF POVERTY, CHASTITY, OBEDIENCE, PERSEVERANCE IN THE CONGREGATION, AND GRATUITOUS INSTRUCTION OF YOUTH ACCORDING TO THE CONSTITUTIONS OF THE CONGREGATION; AND I PROMISE AND VOW THAT, WITH THE GRACE OF GOD, I WILL OBSERVE THEM FAITHFULLY.

IN TESTIMONY OF THIS ENGAGEMENT I NOW SUBSCRIBE IT WITH MY NAME THIS 25th DAY OF December A.D. 1927

NAME IN RELIGION alphonsus IN THE WORLD Joseph G King

HOUSE St. Bonaventure's College

WITNESS Br. P. Berchmans Doyle

This year, the Brother Rice Community of Faith suffered the loss of Brother Joseph Alphonsus King. Br. King gave 67 years of his life to the Christian Brothers and was one of the first brothers to be a native of North America. He spent the last 25 years of his teaching vocation at Brother Rice, where he became an integral part of its fabric as Brother Rice grew over the years. He was a familiar sight to all as he embarked on his daily walks, which often covered many miles.

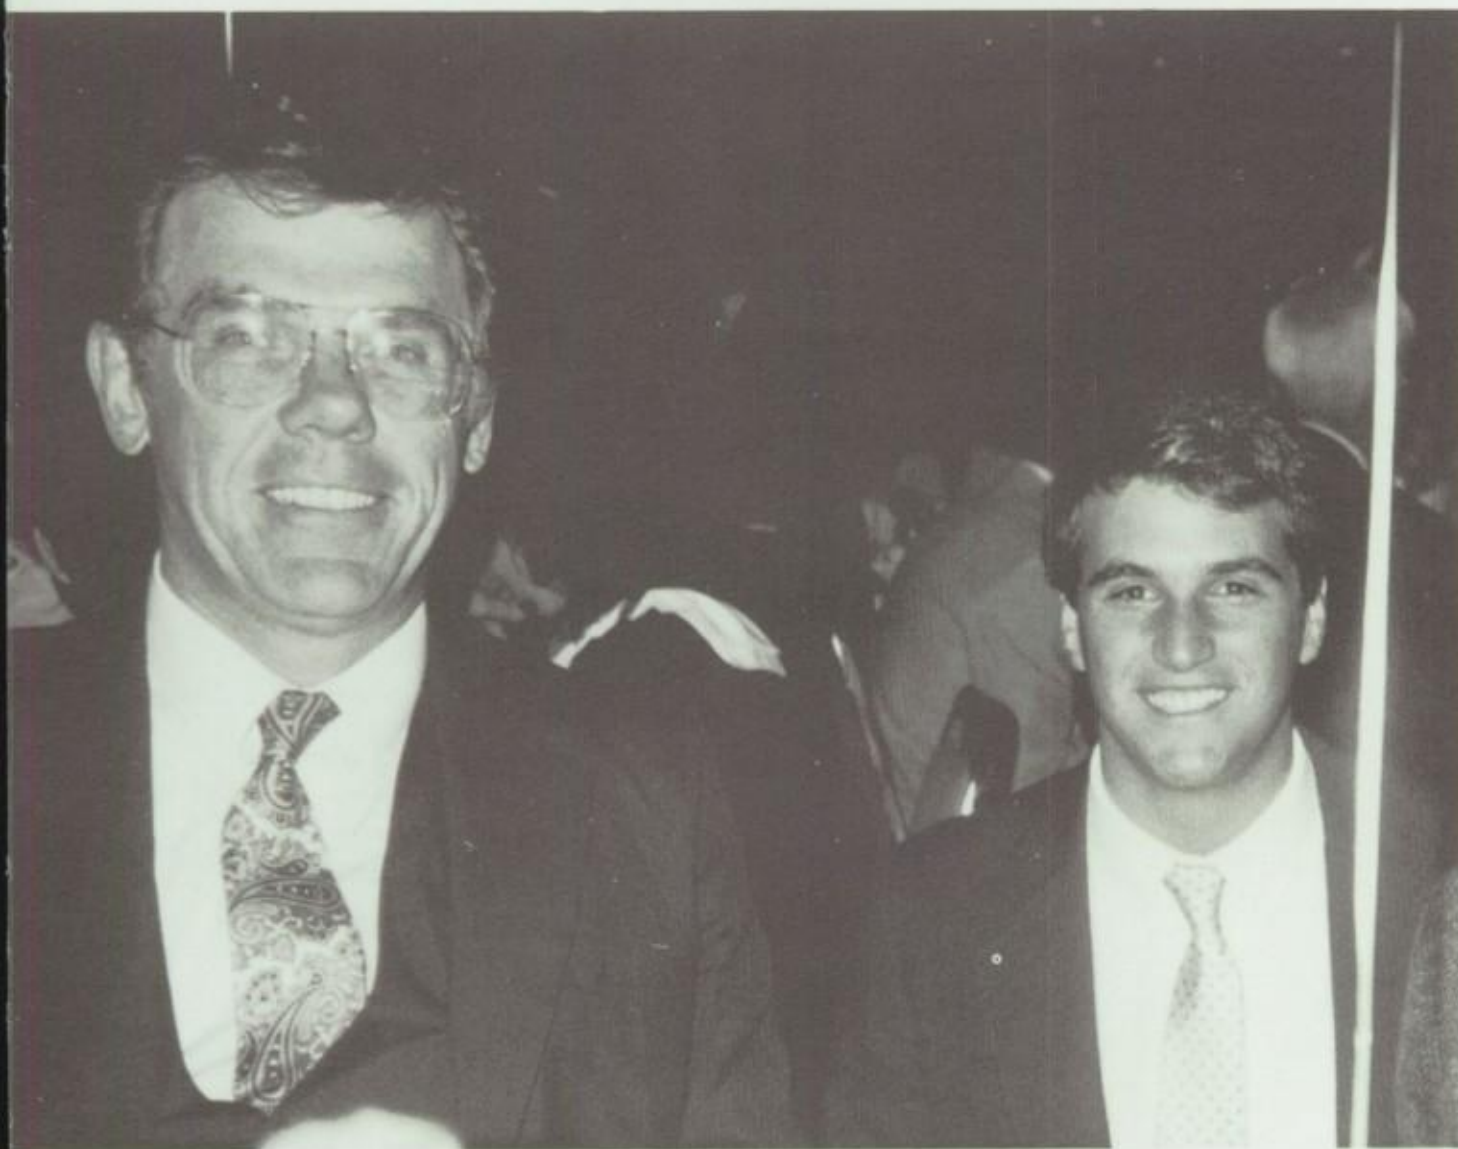

Brother King will be remembered for many things: his dedication to his students, his work for the poor, his enthusiasm for Latin, his splendid May altars, and, above all, his devotion to the Blessed Mother. We will remember his warmth, his kindness, and his job of living. He truly embodied the spirit of Christianity in its most essential expression. Brother King died on Good Friday, April 17th, 1987, a most appropriate date for this good and faithful servant to meet his Beloved Lord.

SENIOR DINNER

Senior Dinner, May 14, started the Graduation weekend. The evening began with Mass in the beautiful Sts. Peter and Paul Church in Detroit. After the service, while making their way to the Renaissance Center, the seniors and their parents were caught in a downpour of rain. Once there, all were greeted with the effects of workers reconstructing the face of the building, producing insurmountable noise and earthshaking tremors.

Undaunted, Master of Ceremonies Dave Podeszwa introduced award winners and the guest speaker, Mr. Robert Lund. Mr. Lund delivered a memorable talk to top off a memorable evening, despite the annoying circumstances.

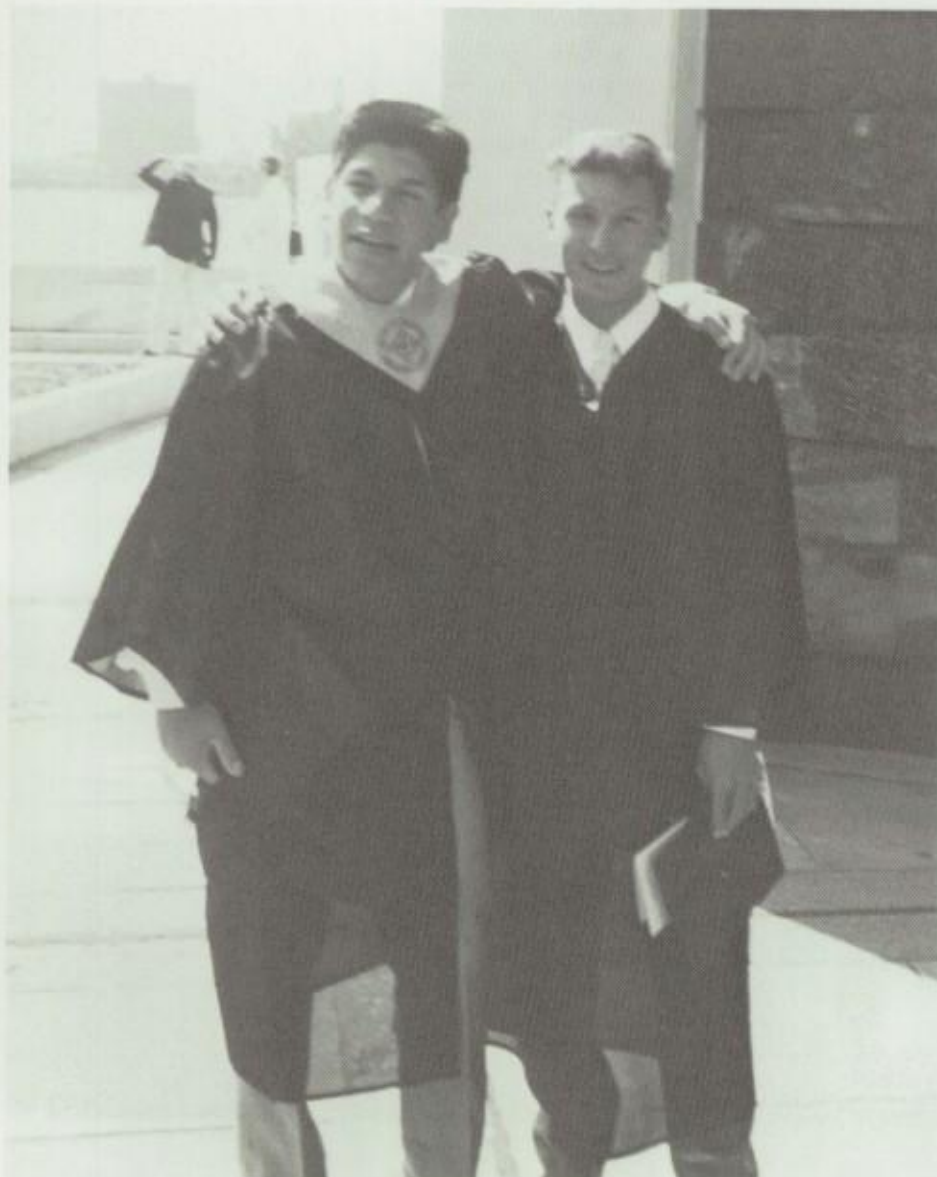

CLASS OF 1987 GRADUATION

WE'RE THROUGH! (That is, if you're a member of the class of 1987). Can you believe it? Our four years at Rice have ended with the Graduation ceremony held on May 17, at Ford Auditorium.

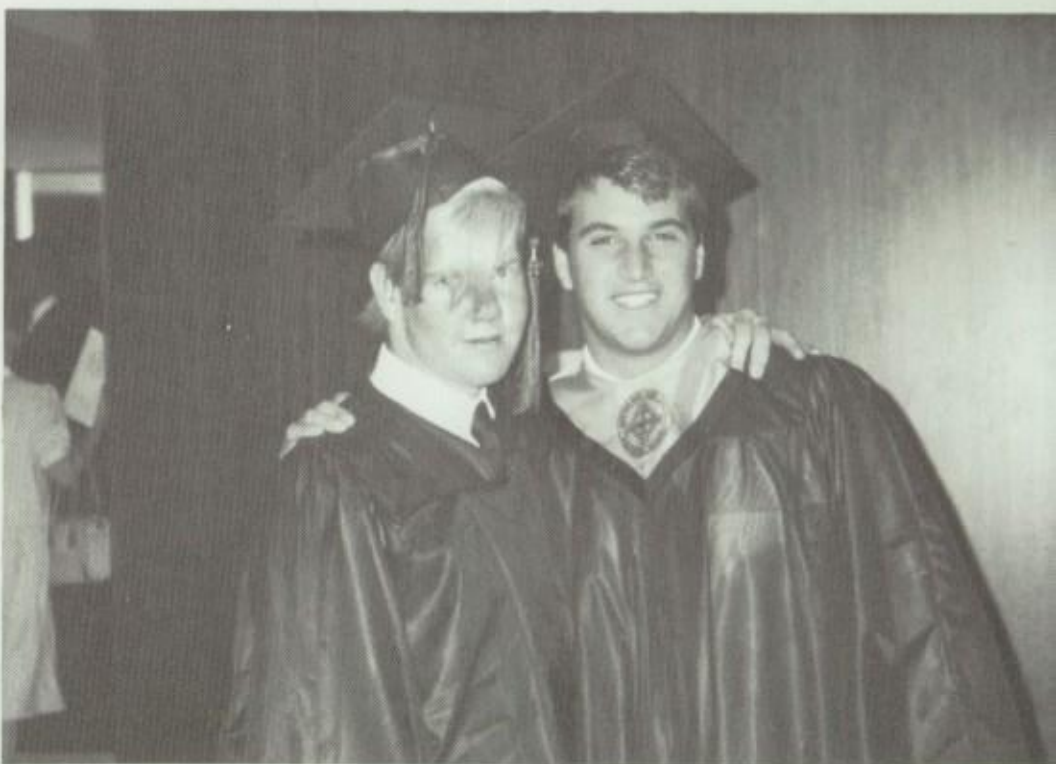

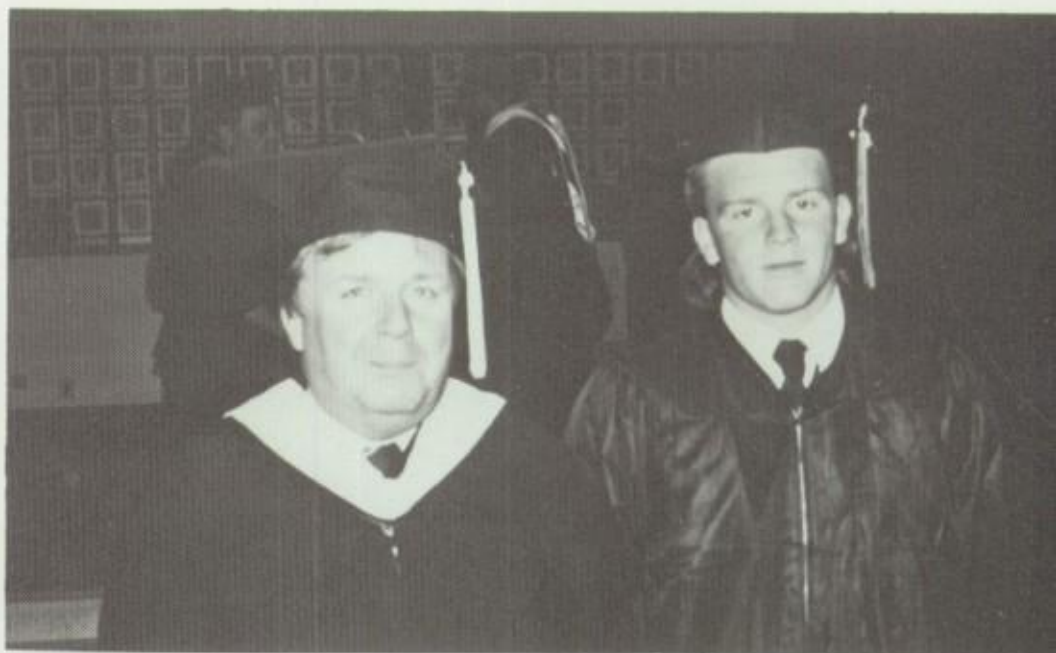

Student speakers Mike Crook and Ed Schwartz (two of the three Valedictorians) reviewed our years at Rice and noted the importance that the friends and the education gained at Rice will have in our future.

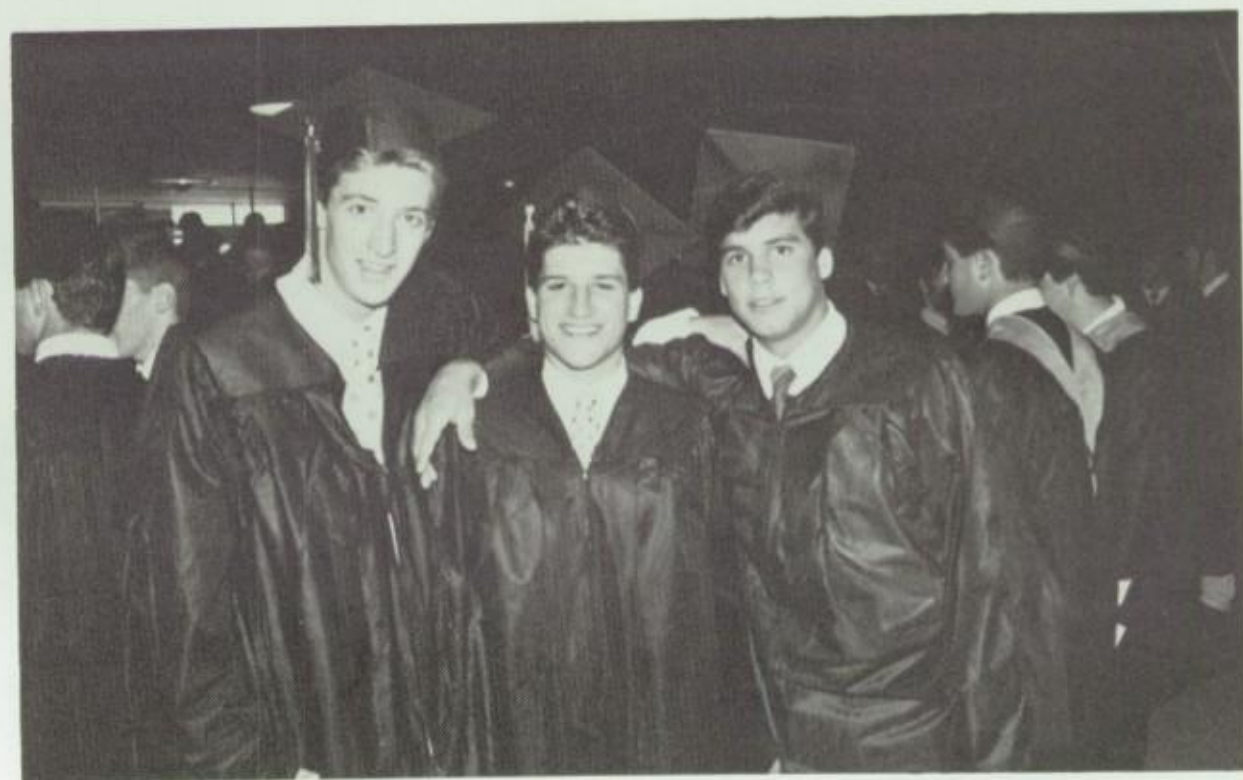

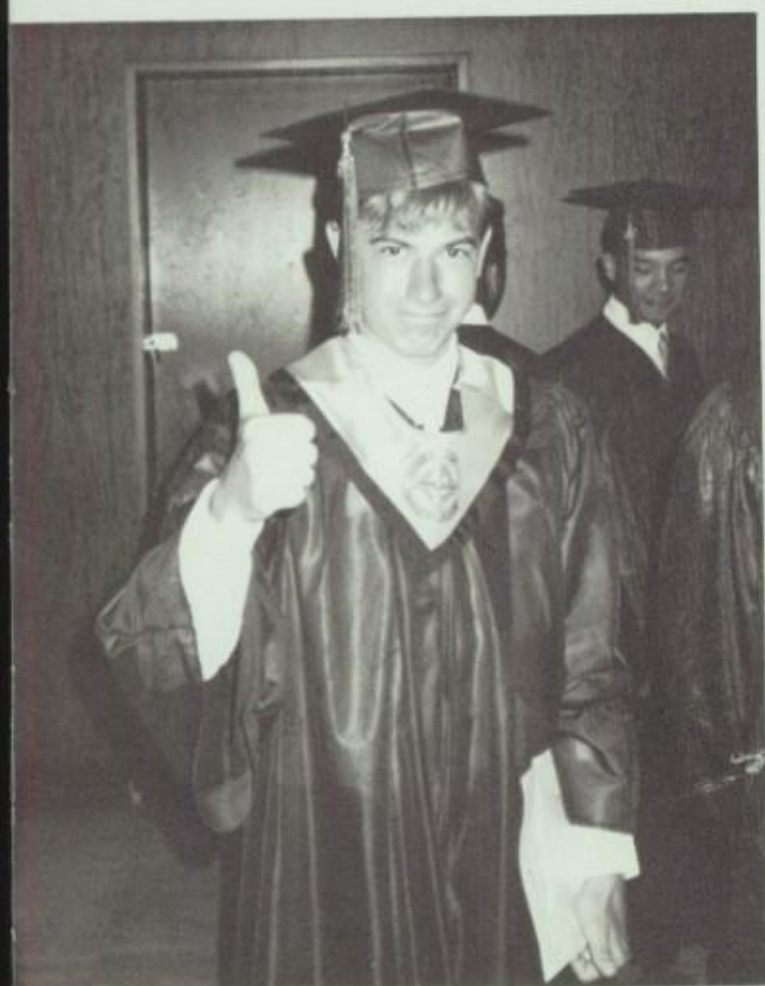

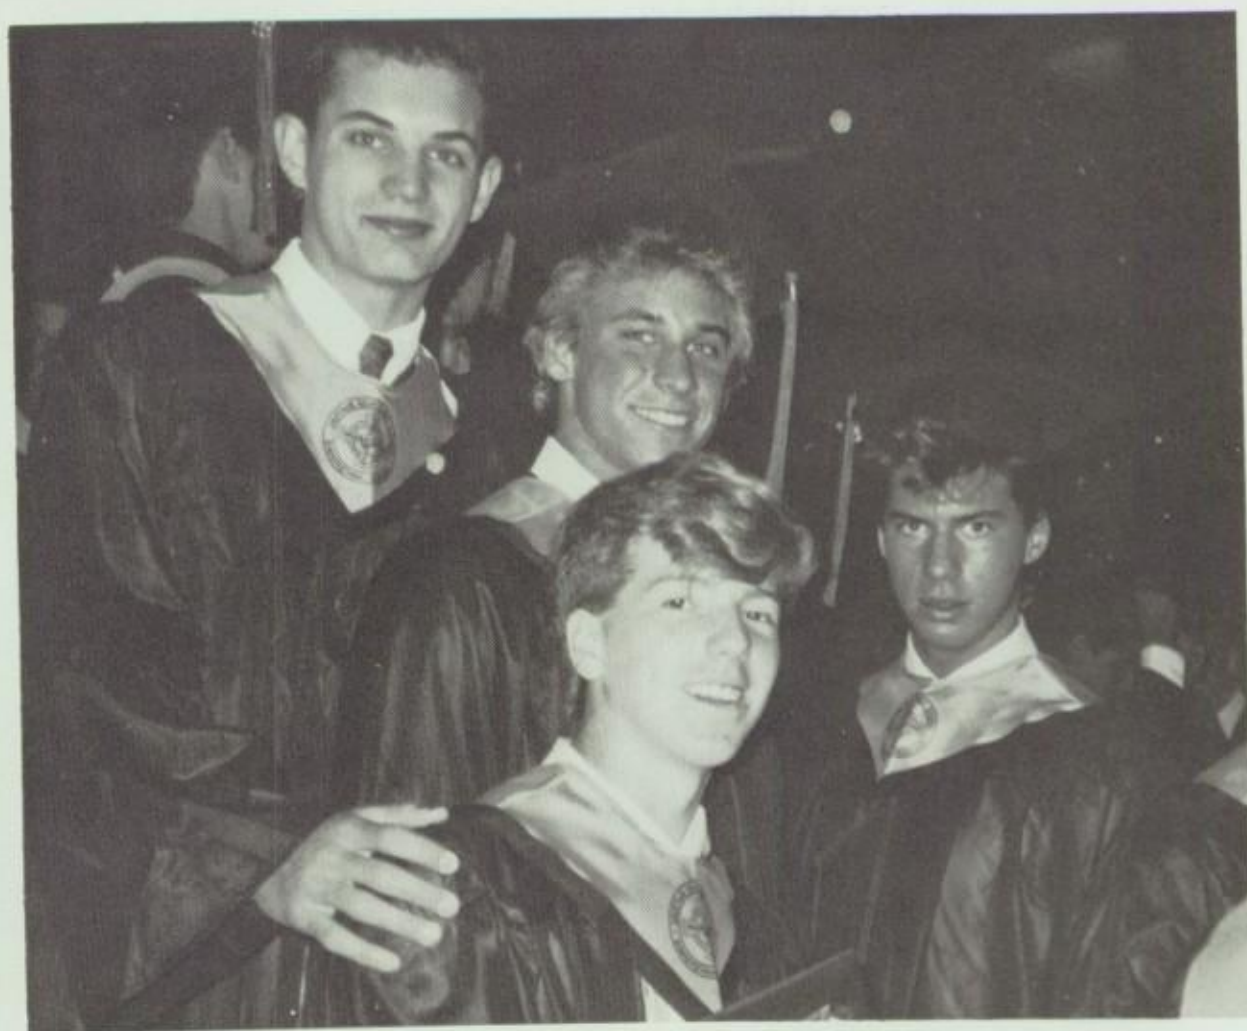

Brother Gremley gave the principal's address, stressing the importance of Love, Honesty, and Integrity in a man. Student Council President Dave Podeszwa introduced the Teacher of the Year, Brother Eugene Kelly. Dave's speech was longer than Br. Kelly's acceptance speech.

Finally, Brother MacIntyre announced the names of the graduates as they received their diplomas. Our four years of preparation at Rice are completed. We should all be very proud!

THE QUEST

We hope you enjoy the 86-87 edition of the Quest. A tremendous amount of creativity, dedication, and labor has gone into this production and we would like to thank all those involved.

We would like to thank the active members of our staff. Especially Jeffrey Warren, our Assistant editor, who continually worked through the rough times with us; and Mrs. Ann Plunkett, our moderator, who stuck it out and never lost faith in our potential.

We would also like to thank Mr. Bob Berschback, who pulled the strings to keep us in budget; Mr. Dick Pieronek of Pieronek studios and Br. Beckstrom for their contribution of photography; Br. Gremley and the entire General Office for their continuous support; and Mr. Michael Popson, without whom this book never could have been completed.

Finally, we would like to thank our parents whose never-ending encouragement inspired us to complete this publication.

Michael Sommerfeld, Matthew Desmond
Editors-in-Chief.
